**DIN: 07083015**

**HALF YEARLY REPORT**  
**HALF YEAR ENDED SEPTEMBER 30, 2023**

We, Shrem Infra Investment Manager Private Limited (formerly Shrem Financial Private Limited), Investment Manager (“IM”) of Shrem InvIT (“InvIT/Trust”) do hereby submit the half yearly report for the period ended September 30, 2023.

**1. Investment Manager’s brief report of activities of the InvIT and summary of the unaudited consolidated financial statements for the half year end:**

The InvIT has been settled by Shrem Infra Invest Private Limited (Formerly Know Shrem Infra Structure Private Limited) (the “Sponsor”) pursuant to the Trust Deed in Mumbai, India. as an irrevocable trust in accordance with the Trusts Act, 1882. The InvIT has been registered with SEBI as an infrastructure investment trust under the SEBI (Infrastructure Investment Trust) Regulations, 2014 (Registration Number: IN/InvIT/20-21/0017). The InvIT is set-up for the purposes of carrying on the activity of an infrastructure investment trust and for making investments in the infrastructure projects SPVs or securities of Indian companies engaged in the infrastructure sector, as may be permitted, in accordance with the SEBI (Infrastructure Investment Trust) Regulations, 2014 (‘the InvIT Regulations’). The InvIT is listed on National Stock Exchange since September 22, 2021.

At present the InvIT owns, operates, and maintains the portfolio of 34 operational SPVs. These 34 projects offer geographical diversification as they are spread across nine states viz. Madhya Pradesh, Maharashtra, Uttar Pradesh, Karnataka, Gujarat, Jharkhand, Andhra Pradesh, Odisha and Chhattisgarh. Further, these roads are operated and maintained pursuant to concessions granted by the NHAI, MoRTH and other State Authorities.

The summary of the unaudited standalone and consolidated financial results of the InvIT along with Limited Review Report are annexed herewith as “Annexure A”.

**2. Brief details of all the assets of the Trust, project-wise:**

Project wise brief details of all the assets of the Trust are annexed herewith as “Annexure B”.

**3. Details of revenue during the period, project-wise from the underlying projects:**

Details of Project wise revenue from the underlying assets are annexed herewith as “Annexure C”.

**4. Brief summary of the of the valuation as per full valuation report as at the end of the period:**

Since the InvIT is privately listed, the valuation report required to be obtained annually as per the regulations 20 of the InvIT Regulations. Therefore, this clause is not applicable for the period ended September 30, 2023 However, We hereby enclosed Valuation report dated 30<sup>th</sup> June, 2023 herewith as “Annexure D”.

**Shrem Infra Investment Manager Private Limited**  
(formerly known Shrem Financial Private Limited)  
(Investment Manager to Shrem InvIT)

**5. Any information or report pertaining to the specific sector or sub-sector that may be relevant for an investor to invest in units of the InvIT:**

The InvIT is focusing only on infrastructure road assets. At present, infra road assets worth more than Rs. 2 Lakh Cores are available in the market (*Source: Report issued by Care Edge Ratings dated September 28, 2023*) which makes it a huge market to InvIT.

**6. Details of changes during the period pertaining to:**

**a. Addition and divestment of assets including the identity of the buyers or sellers, purchase or sale prices and brief details of valuation for such transactions.:**

During the period under review, Shrem InvIT has completed the acquisition of below mentioned road projects (SPVs) from Dilip Buildcon Ltd. and its affiliates, by acquiring the balance 51% of the shareholding and debt:

- i. DBL Chandikhole Bhadrak Highways Limited, and
- ii. DBL Rewa Sidhi Highways Private Limited

Further, the InvIT as on date also acquired following road projects (SPVs)

- i. DBL Bangalore Nidagatta Highways Private Limited-100%
- ii. DBL Nidagatta Mysore Highways Private Limited- 49%
- iii. Pathrapali-Kathaghora Highways Private Limited- 49%

**b. Valuation of assets and NAV (as per the full valuation reports):**

Since the InvIT is privately listed, the valuation report is required to be obtained annually as per the regulations 20 of the InvIT Regulations. Therefore, this clause is not applicable for the period ended September 30, 2023. However, the InvIT has obtained the valuation report as on 30<sup>th</sup> June, 2023 for issuance of its units on preferential basis. The details of valuation of assets and NAV are provided here below:

(Rs. in Crore)

**Independent Auditor's Review Report on the Quarterly and Half-yearly Unaudited Standalone interim Financial Information of the Trust Pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014, as amended**

**The Board of Directors of**

**Shrem Infra Investment Manager Private Limited (Formerly known as Shrem Financial Private Limited as Investment Manager of Shrem InvIT)**

**Introduction**

1. We have reviewed the accompanying statement of unaudited standalone interim financial information of Shrem InvIT ("the Trust"), consisting of the statement of profit and loss, explanatory notes thereto and the additional disclosures as required in Chapter 4 of Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/115 dated July 6, 2023 ("SEBI Master Circular") for the quarter and half year ended September 30, 2023 (the statement of profit and loss, explanatory notes and additional disclosures together referred to as "the Statement") attached herewith, being submitted by Shrem Infra Investment Manager Private Limited (Formerly known as Shrem Financial Private Limited) ("Investment Manager") pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 as amended ("SEBI Regulations"), read with the SEBI Master Circular.
2. This Statement, which is the responsibility of the Investment Manager and have been approved by the Board of Directors of the Investment Manager, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS 34), as prescribed under Section 133 of the Companies Act, 2013 ("the Act") as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with SEBI Master Circular. Our responsibility is to express a conclusion on the Statement based on our review.

**Scope of Review**

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Investment Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**MUKUND  
M. CHITALE  
& CO.**

**CHARTERED  
ACCOUNTANTS**

**Conclusion**

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 as amended, read with the SEBI Master Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

2. The statutory auditors of the InvIT have carried out the Limited Review of the Standalone interim financial information.
3. The Unaudited Standalone interim Financial Information comprises of Standalone Statement of profit and loss, explanatory notes thereto and the additional disclosures as required in Chapter 4 of Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/115 dated July 6, 2023 ("SEBI Master Circular") for the quarter and half year ended 30th September, 2023 being submitted by the Business Trust pursuant to the requirement of Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations 2014, as amended from time to time read with SEBI circular.
4. The Board of Directors of the Investment Manager have declared Ninth distribution of Rs. 2.3400 per unit which comprises of Rs. 0.5489 per unit as Interest and Rs. 0.5500 per unit as Dividend and Rs. 1.2411 per unit as Return of Capital in its meeting held on 26<sup>th</sup> October, 2023.
5. Shrem InvIT acquired the equity share capital of the following companies ('Project SPVs') during the quarter ended September 30, 2023:-
  - 51% stake in DBL Rewa Sidhi Highways Private Limited (NHAI) on 01<sup>st</sup> August, 2023 (49% stake acquired as on 31<sup>st</sup> March, 2023)
  - 51% stake in DBL Chandikhole Bhadrak Highways Limited (NHAI) on 01<sup>st</sup> August, 2023 (49% stake acquired as on 24<sup>th</sup> February, 2023)
  - 49% stake in DBL Nidagatta Mysore Highways Private Limited (NHAI) on 03<sup>rd</sup> August, 2023.

The Trust acquired 3 SPV companies during the quarter, as stated in para 5 above for total consideration of Rs. 20,410.27 Lakhs . The goodwill / gain from bargain purchase has been computed considering the equity value of the Project SPVs as on the acquisition date.

6. Shrem InvIT has entered into a Term Sheet with Dilip Buildcon Limited ( DBL) and DBL Infra Assets Limited (DIAL) to acquire 10 road assets (of which 9 road assets has been acquired by Shrem InvIT upto 30<sup>th</sup> September,2023 ) owned by DBL and DIAL for a proposed consideration of Rs.2,34,900 Lakhs. As per the Term Sheet the definitive agreements was executed on 3<sup>rd</sup> March, 2022 subject to necessary approvals from the lenders and the Authorities and the proposed consideration may undergo change based on outcome of final due diligence and other aspects in that regard.

7. The trust has reviewed the future discounted cash flows of the intangible assets (Toll Collection Rights) and financial assets of its subsidiaries. The recoverable amount is higher than the carrying amount of the assets except for the nine project assets and accordingly impairment in value of investments of Rs. 2,799.64 Lakhs and Rs. 5,599.28 Lakhs has been recognised in the statement of profit and loss for the quarter and half year ended 30th September, 2023 respectively.
  
8. Investors can view the results of the Trust on the Trust's website [www.shreminvit.com](http://www.shreminvit.com) or on National Stock Exchange ([www.nseindia.com](http://www.nseindia.com))

**Independent Auditor's Review Report on the Quarterly and Half-Yearly Unaudited Consolidated Interim Financial Information of the Trust Pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014, as amended**

**The Board of Directors of**

**Shrem Infra Investment Manager Private Limited (Formerly known as Shrem Financial Private Limited as Investment Manager of Shrem InvIT)**

- 1) We have reviewed the accompanying statement of unaudited consolidated interim financial information of Shrem InvIT ("the Trust") and its subsidiaries (the Trust and its subsidiaries together referred to as "the Group") and its associates for the quarter and half year ended September 30, 2023 prepared in accordance with Chapter 4 of Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/115 dated July 6, 2023 ("SEBI Master Circular") being submitted by Shrem Infra Investment Manager Private Limited (Formerly known as Shrem Financial Private Limited) ("Investment Manager") pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 as amended ("SEBI Regulations"), read with the SEBI Master Circular.
- 2) This Statement, which is the responsibility of the Investment Manager and have been approved by the Board of Directors of the Investment Manager, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS 34), as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, other accounting principles generally accepted in India and in compliance with the SEBI Master Circulars. Our responsibility is to express a conclusion on the Statement based on our review.

**Scope of Review**

- 3) We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Investment Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4) The statement includes the result of the following entities:
  - 1) Shrem Infracore Private Limited (Subsidiary Company)
  - 2) Shrem Roadways Private Limited (Subsidiary Company)
  - 3) Shrem Tollways Private Limited (Subsidiary Company)
  - 4) Suryavanshi Infrastructure Private Limited (Subsidiary Company)
  - 5) DBL Nadiad Modasa Tollways Private Limited (Subsidiary Company)
  - 6) DBL Jaora-Sailana Tollways Limited (Subsidiary Company)

- 36) DBL Bangalore Nidagatta Highways Private Limited (Associate Company)

#### **Conclusion**

- 5) Based on our review conducted and procedure performed as stated in paragraph 3 above and based on the consideration of review reports of other auditors referred to in paragraph 6 and 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (Ind AS') as prescribed under Section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 23 of the SEBI Regulations as amended, read with the SEBI Master Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **Emphasis of Matter**

- 6) We draw your attention to Note 7 of the consolidated unaudited interim financial information which explain that the subsidiary Companies has created debentures redemption reserve as

**MUKUND  
M. CHITALE  
& CO.**

**CHARTERED  
ACCOUNTANTS**

required under section 71(4) of the Companies Act, 2013 read with rule 18 (7) of Companies (Share Capital and Debentures) Rules, 2014 except for nine subsidiary companies which have not created debentures redemption reserve on account of losses and fourteen subsidiary companies which has partially created debentures redemption reserve due to inadequacy of profit.

Our conclusion is not modified in respect of this matter.

- 7) We did not review the interim financial information and other disclosures of Fourteen subsidiaries included in the consolidated unaudited interim financial information, whose interim financial information reflect total revenues of Rs.30,991.40 lakhs for the quarter ended September 30, 2023 and of Rs. 64,374.63 lakhs for the half year ended September 30, 2023 and total net profit / (loss) after taxes Rs.13,519.10 lakhs for the quarter ended September 30, 2023 and of Rs.26,444.62 lakhs for the half year ended September 30, 2023 and total comprehensive income / (loss) of Rs.13,519.10 lakhs for the quarter ended September 30, 2023 and of Rs.26,444.62 lakhs for the half year ended September 30, 2023, as considered in this statement. This interim financial information has been reviewed by other auditor whose report has been furnished to us by the investment manager and our conclusion on the information, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above

The Statement also includes Group's share of profit / (loss) after tax of Rs.2,321.86 Lakhs for the quarter ended and Rs. 2,802.90 Lakhs for the half year ended 30th September 2023 and other comprehensive income / (loss) of Rs. Nil Lakhs for the quarter and half-year ended 30th September 2023 as considered in the statement, in respect of two associates. These unaudited interim financial information have been reviewed by other auditors whose reports have been furnished to us by the investment manager and our conclusion on the Statement, so far as it relates to the amounts and disclosure included in respect of these associates is based solely on the reports of other auditors and the procedures performed by us as stated in paragraph 3 above

Our conclusion on the statement is not modified in respect of the above matters.

## SHREM INVIT

SEBI Registration Number IN /InvIT/20-21/ 0017

### Notes to Consolidated Interim Financial information of Shrem InvIT ("the Trust") for Quarter and Half year ended 30th September, 2023

1. The Unaudited Consolidated Interim Financial Information for the Quarter and Half year ended 30th September, 2023 has been reviewed by the audit committee of Shrem Infra Investment Manager Pvt Ltd (Investment Manager to Shrem InvIT) and subsequently approved by Board of Directors of Investment Manager at its meeting held on 26<sup>th</sup> October, 2023.
2. The statutory auditors of the InvIT have carried out the Limited Review of the consolidated Interim financial information.
3. The Unaudited Consolidated interim Financial Information comprises of Consolidated Statement of profit and loss, explanatory notes thereto and the additional disclosures as required in Chapter 4 of Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/115 dated July 6, 2023 ("SEBI Master Circular") for the quarter and half year ended 30th September, 2023 being submitted by the Business Trust pursuant to the requirement of Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations 2014, as amended from time to time read with SEBI circular.
4. The Board of Directors of the Investment Manager have declared Ninth distribution of Rs. 2.3400 per unit which comprises of Rs. 0.5489 per unit as Interest and Rs. 0.5500 per unit as Dividend and Rs. 1.2411 per unit as Return of Capital in its meeting held on 26<sup>th</sup> October, 2023.
5. Shrem InvIT acquired the equity share capital of the following companies ('Project SPVs') during the quarter ended September 30, 2023:-
  - 51% stake in DBL Rewa Sidhi Highways Private Limited (NHAI) on 01<sup>st</sup> August, 2023 (49% stake acquired as on 31<sup>st</sup> March, 2023)
  - 51% stake in DBL Chandikhole Bhadrak Highways Limited (NHAI) on 01<sup>st</sup> August, 2023(49% stake acquired as on 24<sup>th</sup> February, 2023)
  - 49% stake in DBL Nidagatta Mysore Highways Private Limited (NHAI) on 03<sup>rd</sup> August, 2023

The Trust acquired 3 SPV companies during the quarter, as stated in para 5 above for total consideration of Rs. 20,410.27 Lakhs . The goodwill / gain from bargain purchase has been computed considering the equity value of the Project SPVs as on the acquisition date.

6. Shrem InvIT has entered into a Term Sheet with Dilip Buildcon Limited ( DBL) and DBL Infra Assets Limited (DIAL) to acquire 10 road assets (of which 9 road assets has been acquired by Shrem InvIT upto 30<sup>th</sup> September,2023 ) owned by DBL and DIAL for a proposed consideration of Rs. 2,34,900 Lakhs. As per the Term Sheet the definitive agreements was executed on 3<sup>rd</sup> March, 2022 subject to necessary approvals from the lenders and the Authorities and the proposed consideration may undergo change based on outcome of final due diligence and other aspects in that regard.

*Niki*

7. As per clause 8.2 of Articles of Association (AoA) of the Company, the Company is obliged to create Debenture Redemption Reserve equivalent to 25% of outstanding amount of debenture or limits prescribed by Section 71 of the Companies Act, 2013 read with Rule 18(7) of Companies (Issue of share capital & debentures) Rules, 2014, whichever is higher. However, in case of inadequacy of profit, the Company may opt for creation of DRR as per Companies (Issue of share capital & debentures) Rules, 2014 to the extent of availability of profits.

However, during the quarter and half year ended 30th September, 2023, Nine subsidiaries could not create Debenture Redemption Reserve (DRR), Fourteen subsidiaries could partially create Debenture Redemption Reserve (DRR) due to loss or inadequate profits.

The aforesaid subsidiary companies shall ensure that whenever it generates adequate profit, it shall create Debenture Redemption Reserve.

8. The trust has reviewed the future discounted cash flows of the intangible assets (Toll Collection Rights) and financial assets of its subsidiaries, The recoverable amount is higher than the carrying amount of the assets except for the Nine project assets and accordingly impairment in value of investments of Rs. 2,799.64 Lakhs and Rs. 5,599.28 Lakhs has been recognised in the statement of profit and loss for the quarter and half year ended September 30, 2023 respectively.
9. Investors can view the results of the Trust on the Trust's website [www.shreminvit.com](http://www.shreminvit.com) or on National Stock Exchange ([www.nseindia.com](http://www.nseindia.com))

**BRIEF DETAILS OF ALL THE ASSETS OF THE INVIT, PROJECT-WISE:**

<b>Sr. No.</b>	<b>Relevant Project SPV</b>	<b>Particulars of the Project (as per the Concession Agreements)</b>	<b>Lane Kilometer (in km) *</b>	<b>State</b>
1.	DBL Lucknow Sultanpur Highways Limited (“ <b>DLSHL</b> ”)	Augmenting the existing road from 11.500 kilometer to 134.700 kilometer (approximately 127.425 kilometer) on the Lucknow-Sultanpur section of National Highway number 56 (new National Highway number 731) by four-laning thereof on design, build, operate and transfer (hybrid annuity) basis.	666.77	Uttar Pradesh
2.	DBL Kalmath Zarap Highways Limited (“ <b>DKZHL</b> ”)	Augmenting the existing road from kilometer 406.030 to kilometer 450.170 (43.905 kilometer) on the Kalmath-Zarap section of National Highway number 17 (new National Highway number 66) by four-laning on design, build, operate and transfer (hybrid annuity) basis.	267.40	Maharashtra
3.	DBL Yavatmal Wardha Highways Private Limited (“ <b>DYWHPL</b> ”)	Augment the existing road from kilometer 400.575 to kilometer 465.500 of Yavatmal-Wardha section of National Highway number 361 by four-laning on design, build, operate and transfer (hybrid annuity) basis.	370.55	Maharashtra
4.	DBL Tuljapur Ausa Highways Limited (“ <b>DTAHL</b> ”)	Augmenting the existing road from kilometer 0.000 to kilometer 55.835 (existing chainage: kilometer 416.000 to kilometer 470.000) (approximately 67.428 kilometer) on the Tuljapur-Ausa (including Tuljapur bypass) section of National Highway number 361 by four-laning on design, build, operate and transfer (hybrid annuity) basis.	376.96	Maharashtra
5.	DBL Wardha Butibori Highways Private Limited (“ <b>DWBHPL</b> ”)	Augmenting the existing road from kilometer 28.800 to kilometer 85.374 (approximately 59.374 kilometer) on the Wardha-Butibori section of National Highway number 361 by four-laning on design, build, operate and transfer (hybrid annuity) basis.	351.93	Maharashtra
6.	DBL Mahagaon Yavatmal	Augmenting the existing road from kilometer 320.580 to kilometer 400.575 (approximately 80.195	450.42	Maharashtra

	Highways Private Limited (“ <b>DMYHPL</b> ”)	kilometer) on the Mahagaon to Yavatmal section of National Highway number 361 by four-laning thereof on design, build, operate and transfer (hybrid annuity) basis.		
7.	DBL Ashoknagar Vidisha Tollways Private Limited (“ <b>DAVTPL</b> ”)	Augmenting the existing road from bypass junction of Ashoknagar (kilometer 0/10) to Bangla Chauraha (kilometer 35.68) (approximately 35.68 kilometer), on the section of major district road by two-laning on build, operate and transfer (toll plus annuity) basis.	107.04	Madhya Pradesh
8.	DBL Betul Sarni Tollways Limited (“ <b>DBSTL</b> ”)	Augmenting the existing road from kilometer 0.00 (Kamani Gate Betul) to kilometer 124.10 (approximately 124.10 kilometer) on the section of State Highway number 43 by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.	372.30	Madhya Pradesh
9.	DBL Hata-Dargawon Tollways Limited (“ <b>DHDTL</b> ”)	Augmenting the existing road from kilometer 0.00 (Damoh naka in Ilatta town) to kilometer 64.40 (at Dargawan Tiraha) (approximately 64.40 kilometer), section of the State Highway number 48, by intermediate-laning on build, operate and transfer (toll plus annuity) basis.	193.20	Madhya Pradesh
10.	DBL Silwani Sultanganj Tollways Limited (“ <b>DBL Silwani</b> ”)	Augmenting the existing road from kilometer 0.00 to kilometer 75.995 (approximately 76.00 kilometer) on the Silwani-Sultanganj-Jaisinghnagar-Sagar Road section of State Highway number 15 by intermediate-laning / two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.	228.00	Madhya Pradesh
11.	DBL Sitamau Suwasara Tollways Limited (“ <b>DSSTL</b> ”)	Augment the existing road from kilometer 0/00 to kilometer 34/000 (approximately 34.97 kilometer) on the Sitamau-Basai-Suwasara section of major district road by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.	104.91	Madhya Pradesh
12.	DBL Mundi-Sanawad Tollways Limited (“ <b>DMSTL</b> ”)	Augmenting the existing road from kilometer 0.00 (at Mundi) to kilometer 64.400 (at Sanawad town) (approximately 67.63 kilometer) on the Mundi-Punasa-Sulgaon- Sanawad	202.89	Madhya Pradesh

		section of the major district road by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.		
13.	DBL Uchera-Nagod Tollways Limited (“DUNTL”)	Augmenting the existing road from kilometer 32.00 (near Nagod National Highway number 75) to kilometer 87.00 (near Uttar Pradesh Border) including 1.70 kilometer Nagod bypass (approximately 55.60 kilometer) on the section of State Highway number 56 by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.	166.80	Madhya Pradesh
14.	DBL Sardarpur Badnawar Tollways Limited (“DSBTL”)	Augmenting the existing road from kilometer 0/00 to kilometer 43/300 (approximately 43.00 kilometer) on the Sardarpur-Badnawar Road section of State Highway number 34 by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis	129.00	Madhya Pradesh
15.	DBL Patan Rehli Tollways Limited (“DPRTL”)	Augmenting the existing road from kilometer 31/10 of State Highway number 15 Rehli-Gorjhamar-Patan Chok and cross the junction of kilometer 113/00 of Rehli Gourjhamar State Highway number 15 including bypass of Rehli which is about 4.4 kilometer and terminated at kilometer 38/10 (approximately 86.60 kilometer) on the section of State Highway number 15 by two-laning on design, build, finance, operate and transfer (toll plus annuity) basis.	259.80	Madhya Pradesh
16.	DBL Tikamgarh-Nowgaon Tollways Limited (“DTNTL”)	Augmenting the existing road from Y-junction in kilometer 10/8 at Tikamgarh-Malehra road (State Highway number 10) to kilometer 107 of Jhansi-Nowgaon (National Highway number 76) (approximately 76.40 kilometer), the section of major district road by two-laning on build, operate and transfer (toll plus annuity) basis	229.20	Madhya Pradesh
17.	DBL Nadiad Modasa Tollways Limited (“DNMTL”)	Improving the section Nadiad-Madhudha-Kathial-Kapadwanj-Bayad-Modasa from kilometer 0.60 to kilometer 109.00 on State Highway number 59 by strengthening and	325.20	Gujarat

		widening to two-laning on design, build, finance, operate and transfer (annuity) basis.		
18.	DBL Bankhalafata-Dogawa Tollways Limited (“ <b>DBDTL</b> ”)	Augmenting the existing three major district roads under package-I comprising (i) Bankhalafata-Dogawa-via-Borawa-Savardevala (23.67 kilometer); (ii) Punasa-Mundi-Singhaji (thermal power plant) and Singhaji bridge approach road (13.30 kilometer); and (iii) Beed-Mundi-Devala-Khutala-Attoot-NVDA (28.43 kilometer) (total length of 65.40 kilometer) by intermediate-laning / two-laning on design, build, finance, operate and transfer (annuity) basis.	196.20	Madhya Pradesh
19.	DBL Jaora-Sailana Tollways Limited (“ <b>DJSTL</b> ”)	Augmenting the existing four major district roads under package-IV comprising (i) Jaora-Piplodha-Jalandharkheda and Piploda-Sailana (42.27 kilometer); (ii) Raipururiya-Petlabad-Bamniya (18.18 kilometer); (iii) Jawad-Khoh (21.07 kilometer); and (iv) Soyat-Pidawa (6.25 kilometer) (total length of 87.77 kilometer) by intermediate-laning / two-laning on design, build, finance, operate and transfer (annuity) basis.	263.31	Madhya Pradesh
20.	DBL Mundargi Harapanahalli Tollways Limited (“ <b>DMHTPL</b> ”)	Augmenting the existing State Highway from Mundargi-Hadagali-Harapanahalli (approximate length 51.21 kilometer) on design, build, finance, operate, maintain and transfer (annuity) basis.	153.63	Karnataka
21.	DBL Hassan Periyapatna Tollways Limited (“ <b>DHPTL</b> ”)	Augmenting the existing State Highway from Hassan-Ramanathapura-Periyapatna (approximate length of 73.69 kilometer) on design, build, finance, operate, maintain and transfer (annuity) basis.	221.07	Karnataka
22.	DBL Hirekerur Ranibennur Tollways Private Limited (“ <b>DHRTPL</b> ”)	Augmenting the existing State Highway from Hirekerur-Ranibennur (approximate length 55.69 kilometers) on design, build, finance, operate, maintain and transfer (annuity) basis.	167.07	Karnataka

23.	Jalpa Devi Tollways Limited (“ <b>JDTL</b> ”)	Augmenting the existing road National Highway number 3 from kilometer 332.100 to kilometer 426.100 (approximately 93.500 kilometer) on the Guna-Biaora section of National Highway number 3 by four-laning on design, build, finance, operate and transfer (toll) basis.	506.70	Madhya Pradesh
24.	Suryavanshi Infrastructure Private Limited (“ <b>Suryavanshi Infra</b> ”)	Reconstruction, strengthening, widening and rehabilitation of Mandsaur-Sitamau section from existing kilometer stone 18 and ends at the existing kilometer stone 62 at Chambal River (Rajasthan border) (total 44 kilometer) on State Highway number 14 section, and its operation and maintenance, on build, operate and transfer basis.	132.00	Madhya Pradesh
25.	DBL Anandapuram Anakapalli Highways Private Limited (“ <b>DAAHPL</b> ”)	Augmenting the existing road from kilometer 681.000 to kilometer 731.780 (approximately 50.78 kilometer) of Anandpuram-Pendurthi-Anakapalli section of NH-5 (New NH-16) by Six-laning on design, build, operate and transfer (hybrid annuity) basis.	542.14	Andhra Pradesh
26.	DBL Bellary Byrapura Highways Private Limited (“ <b>DBBHPL</b> ”)	Augmenting the existing road from Km 253.600 to km 308.550 (approximately 54.95 km) of Bellary to Byrapura Section of NH-150A by Four Laning on design, build, operate and transfer (hybrid annuity) basis.	293.91	Karnataka
27.	DBL Byrapura Challakere Highways Private Limited (“ <b>DBCHPL</b> ”)	Augmenting the existing road from Km 308.550 to Km 358.500 (approximately 49.95 km) of Byrapura to Challakere Section of NH-150A by Four Laning on design, build, operate and transfer (hybrid annuity) basis.	297.71	Karnataka
28.	DBL Gorhar Khairatunda Highways Private Limited (“ <b>DGKHPL</b> ”)	Augmenting the existing road from Km 320.810 to Km 360.300 (approximately 39.49 km) of Gorhar to Khairtunda Section of NH-2 by Six Laning on design, build, operate and transfer (hybrid annuity) basis.	329.37	Jharkhand
29.	DBL Sangli Borgaon Highways Limited.	Augmenting the existing road from Km . 182.195 to Km 219.956 (approximately 41.44 km) of Sangli to Solapur (PKG-I) Section of NH-	284.59	Maharashtra

	("DSBHL")	166 by Four Laning on design, build, operate and transfer (hybrid annuity) basis.		
30.	DBL Bangalore Nidagatta Highways Private Limited ("DBNHPL")	Augmenting the existing road from Km 18.000 to Km. 74.200 (approximately 56.20 km) of Bangalore Nidagatta Section of NH-275 by Six Laning on design, build, operate and transfer (hybrid annuity) basis.	616.44	Karnataka
31.	DBL Nidagatta Mysore Highways Private Limited ("DNMHPL")	Augmenting the existing road from Km 74.200 to Km. 135.304 (approximately 61.10 km) of Nidagatta Mysore Section of NH-275 by Six Laning on design, build, operate and transfer (hybrid annuity) basis.	669.06	Karnataka
32.	DBL Chandikhole Bhadrak Highways Limited ("DCBHL")	Augmenting the existing road from Km. 62.000 to Km 135.500 (approximately 74.50 km) of Chandikhole to Bhadrak Section of NH-5 (New NH-16) by Six Laning on design, build, operate and transfer (hybrid annuity) basis.	710.98	Orissa
33.	DBL Rewa Sidhi Highways Private Limited ("DRSHPL")	Construction of road tunnel, viadauct and Churhat Bypass of Rewa Sidhi Section of NH-75E from Km 33.200 to Km 55.400 (approximately 15.35km) on design, build, operate and transfer (hybrid annuity) basis.	83.78	Madhya Pradesh

*\*The calculation of lane kilometres is done as per the circular of MoRTH (Ref. No.341/PS/Secretary/RTH/2018) dated March 1, 2018 ("MoRTH Measurement Circular"). As per the MoRTH Measurement Circular, the linear measurement of the project highway has been dispensed with.*

## Annexure C

**DETAILS OF PROJECT-WISE REVENUE AND EXPENDITURE AND EBIDTA DURING THE YEAR FROM THE UNDERLYING PROJECTS:**

The Projects are divided into four types, based on form of revenue being generated by a project i.e. (i) hybrid annuity; (ii) toll; (iii) annuity; and (iv) annuity plus toll: Revenue figures are based on actual cashflow for the whole year.

29	Suryavanshi Infrastructure Private Limited	SUIPL	State Toll	

(Herein after all the 29 companies mentioned above are together referred to as “the SPVs”)

The Trust operates and maintains the following associates:

Sr. No.	Name of the Associates	Term
<b>NHAI Hybrid Annuity Model Assets</b>		
1	DBL Chandikhole Bhadrak Highways Private Limited*	DCBHL
2	DBL Rewa Sidhi Highways Private Limited*	DRSHL
3	DBL Bangalore Nidagatta Highways Private Limited*	DBNHL

(Herein after all the 3 companies mentioned above are together referred to as “the Associate” where 49% stake is held by the InvIT)

These SPVs and Associates were acquired by the Trust and are to be valued as per Regulation 21(4) contained in the Chapter V of the SEBI InvIT Regulations.

I have relied on explanations and information provided by the Investment Manager. Although, I have reviewed such data for consistency, those are not independently investigated or otherwise verified. My team and I have no present or planned future interest in the Trust, the SPVs, the Associates or the Investment Manager except to the extent of this appointment as an independent valuer and the fee for this Valuation Report (“**Report**”) which is not contingent upon the values reported herein. The valuation analysis should not be construed as investment advice, specifically, I do not express any opinion on the suitability or otherwise of entering into any financial or other transaction with the Trust.

I am enclosing the Report providing opinion on the fair enterprise value of the SPVs and the Associates on a going concern basis as at 30<sup>th</sup> June 2023 (“**Valuation Date**”). Enterprise Value (“**EV**”) is described as the total value of the equity in a business plus the value of its debt and debt related liabilities, minus any cash or cash equivalents to meet those liabilities. The attached Report details the valuation methodologies used, calculations performed and the conclusion reached with respect to this valuation.

The analysis must be considered as a whole. Selecting portions of any analysis or the factors that are considered in this Report, without considering all factors and analysis together could create a misleading view of the process underlying the valuation conclusions. The preparation of a valuation is a complex process and is not necessarily susceptible to partial analysis or summary description. Any attempt to do so could lead to undue emphasis on any particular factor or analysis.

The information provided to me by the Investment Manager in relation to the SPVs/ Associates included but not limited to historical financial statements, forecasts/projections, other statements and

# **S. SUNDARARAMAN**

Registration No - IBBI/RV/06/2018/10238

assumptions about future matters like forward-looking financial information prepared by the Investment Manager. The forecasts and projections as supplied to me are based upon assumptions about events and circumstances which are yet to occur.

I have not tested individual assumptions or attempted to substantiate the veracity or integrity of such assumptions in relation to the forward-looking financial information, however, I have made sufficient enquiry to satisfy myself that such information has been prepared on a reasonable basis.

Notwithstanding anything above, I cannot provide any assurance that the forward looking financial information will be representative of the results which will actually be achieved during the cash flow forecast period.

The valuation provided by RV and the valuation conclusion are included herein and the Report complies with the SEBI InvIT Regulations and guidelines, circular or notification issued by the Securities and Exchange Board of India ("**SEBI**") thereunder.

Please note that all comments in the Report must be read in conjunction with the caveats to the Report, which are contained in Section 10 of this Report. This letter, the Report and the summary of valuation included herein can be provided to Trust's advisors and may be made available for the inspection to the public and with the SEBI, the stock exchanges and any other regulatory and supervisory authority, as may be required.

RV draws your attention to the limitation of liability clauses in Section 10 of this Report including the clause on Limitation and Uncertainty in Valuation.

This letter should be read in conjunction with the attached Report.

Yours faithfully,

SWAMINATHAN  
SUNDARARAMAN

**Structure of the Trust as at 30<sup>th</sup> June 2023:**

1.2. **Purpose and Scope of Valuation**

**Purpose of Valuation**

- 1.2.1. I understand that the Investment Manager and the InvIT are contemplating a fresh issue of units of the Trust in lieu of payment of consideration in connection with acquisition of 2 road projects to certain identified parties (“**Proposed Transaction**”).
- 1.2.2. As the units of the InvIT are infrequently traded, as per the Guidelines for preferential issue of units by a listed InvIT dated 27<sup>th</sup> November 2019 issued by SEBI, the price determined by the InvIT for preferential issue of units shall take into account the NAV of the InvIT based on a full valuation of all existing InvIT assets conducted in terms of SEBI InvIT Regulations.
- 1.2.3. In this regard, the Investment Manager intends to undertake the fair enterprise valuation of the SPVs and Associates as on 30<sup>th</sup> June 2023.
- 1.2.4. In this regard, the Investment Manager have appointed Mr. S. Sundararaman (“**Registered Valuer**” or “**RV**” or “**I**” or “**My**” or “**Me**”) bearing IBBI registration number IBBI/RV/06/2018/10238 to undertake the fair valuation at the enterprise level of the SPVs and the Associates as per the SEBI InvIT Regulations as on 30<sup>th</sup> June 2023. Enterprise Value (“**EV**”) is described as the total value of the equity in a business plus the value of its debt and debt related liabilities, minus any cash or cash equivalents to meet those liabilities.
- 1.2.5. Registered Valuer declares that:
  - i. The RV is competent to undertake financial valuation in terms of SEBI InvIT Regulations;
  - ii. The RV is independent and has prepared the Report on a fair and unbiased basis;
  - iii. RV has valued the SPVs and the Associates based on the valuation standards as specified / applicable as per the SEBI InvIT Regulations.
- 1.2.6. This Report covers all the disclosures required as per the SEBI InvIT Regulations and the valuation of the SPVs is impartial, true and fair and in compliance with the SEBI InvIT Regulations.

## Strictly Private and Confidential

### Scope of Valuation

#### 1.2.7. Nature of the Asset to be Valued

The RV has been mandated by the Investment Manager to arrive at the Enterprise Value (“EV”) of the SPVs and Associates. Enterprise Value is described as the total value of the equity in a business plus the value of its debt and debt related liabilities, minus any cash or cash equivalents to meet those liabilities.

#### 1.2.8. Valuation Base

Valuation Base means the indication of the type of value being used in an engagement. In the present case, I have determined the fair value of the SPVs and Associates at the enterprise level. Fair Value Bases defined as under:

##### **Fair Value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the valuation date. It is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. Fair value or Market value is usually synonymous to each other except in certain circumstances where characteristics of an asset translate into a special asset value for the party(ies) involved.

#### 1.2.9. Valuation Date

Valuation Date is the specific date at which the value of the assets to be valued gets estimated or measured. Valuation is time specific and can change with the passage of time due to changes in the condition of the asset to be valued. Accordingly, valuation of an asset as at a particular date can be different from other date(s).

The Valuation Date considered for the fair enterprise valuation of the SPVs and Associates is 30<sup>th</sup> June 2023 (“**Valuation Date**”). The attached Report is drawn up by reference to accounting and financial information as on 30<sup>th</sup> June 2023. The RV is not aware of any other events having occurred since 30<sup>th</sup> June 2023 till date of this Report which he deems to be significant for his valuation analysis.

For the amount pertaining to the operating working capital, management of the Investment Manager has acknowledged to consider the provisional financial statements as on 30<sup>th</sup> June 2023 to carry out the valuation of the SPVs and Associates.

#### 1.2.10. Premise of Value

Premise of Value refers to the conditions and circumstances how an asset is deployed. In the present case, RV has determined the fair enterprise value of the SPVs and Associates on a Going Concern Value defined as under:

##### **Going Concern Value**

Going Concern value is the value of a business enterprise that is expected to continue to operate in the future. The intangible elements of going concern value result from factors such as having a trained work force, an operational plant, necessary licenses, systems, and procedures in place etc.

<<This space is intentionally left blank>>

1.3. Summary of Valuation

I have assessed the fair enterprise value of each of the SPV and Associate on a stand-alone basis by using the Discounted Cash Flow (“DCF”) method under the income approach. Following table summarizes my explanation on the usage or non usage of different valuation methods:

Valuation Approach	Valuation Methodology	Used	Explanation
Cost Approach	Net Asset Value	No	NAV does not capture the future earning potential of the business.
Income Approach	Discounted Cash Flow	Yes	The revenue of all the Projects, except for the Toll SPVs, is mainly derived from the annuity fees that are typically pre-determined by the relevant government authority and cannot be modified to reflect prevailing circumstances, other than annual adjustments to account for inflation and interest rate changes wherever applicable, as specified in the concession agreements. The Toll SPVs derive almost all of their revenue from their toll-road operations. The Toll SPVs are substantially dependent on the accuracy of the traffic volume forecasts for their respective projects. Accordingly, since all the Assets are generating income based on pre-determined agreements / mechanism and since the Investment Manager has provided me the financial projections for the balance tenor of the concessions agreements, DCF Method under the income approach has been considered as the appropriate method for the present valuation exercise.
Market Approach	Market Price	No	The equity shares of the SPVs/ Associate are not listed on any recognized stock exchange in India. Hence, I was unable to apply the market price method.
	Comparable Companies	No	In the absence of any exactly comparable listed companies with characteristics and parameters similar to that of the SPVs/ Associate, I am unable to consider this method for the current valuation.
	Comparable Transactions	No	In the absence of adequate details about the Comparable Transactions, I was unable to apply the CTM method.

Under the DCF Method, the Free Cash Flow to Firm (“FCFF”) has been used for the purpose of valuation of each of the SPV and Associate. In order to arrive at the fair EV of the individual SPV/ Associate under the DCF Method, I have relied on provisional financial statements as at 30<sup>th</sup> June 2023 prepared in accordance with the Indian Accounting Standards (Ind AS) and the financial projections of the respective SPV/ Associate prepared by the Investment Manager as at the Valuation Date based on their best judgement.

The discount rate considered for the respective SPV/ Associate for the purpose of this valuation exercise is based on the Weighted Average Cost of Capital (“WACC”) for each of the SPV/ Associate. As all the SPV/ Associate under considerations have executed projects under the BOT /DBFOT model, the operating rights of the underlying assets shall be transferred after the expiry of the concession period. At the end of the agreed concession period, the operating rights in relation to the roads, the obligation to maintain the road and the right to collect tolls from the vehicles using the road revert to the government entity that granted the concession by the SPV/ Associate. Accordingly, terminal period value i.e. value on account of cash flows to be generated after the expiry of concession period has not been considered.

## Strictly Private and Confidential

Based on the methodology and assumptions discussed further, RV has arrived at the fair enterprise value of the SPVs and the Associates as on the Valuation Date:

Below is the Fair Enterprise Value of SPV where the InvIT holds 100% Equity Ownership

Sr. No.	SPVs	Projection Period (Balance Concession Period)	WACC	Fair Enterprise Value (INR Mn)

### 2. Procedures adopted for current valuation exercise

---

- 2.1. I have performed the valuation analysis, to the extent applicable, in accordance with ICAI Valuation Standards 2018 (“**IVS**”) issued by the Institute of Chartered Accountants of India.
- 2.2. In connection with this analysis, I have adopted the following procedures to carry out the valuation analysis:
- 2.2.1. Requested and received financial and qualitative information relating to the SPVs/ Associates;
  - 2.2.2. Obtained and analyzed data available in public domain, as considered relevant by me;
  - 2.2.3. Discussions with the Investment Manager on:
    - Understanding of the business of the SPVs/Associates – business and fundamental factors that affect its earning-generating capacity including strengths, weaknesses, opportunities and threats analysis and historical and expected financial performance;
  - 2.2.4. Undertook industry analysis:
    - Research publicly available market data including economic factors and industry trends that may impact the valuation;
    - Analysis of key trends and valuation multiples of comparable companies/comparable transactions, if any, using proprietary databases subscribed by me;
  - 2.2.5. Analysis of other publicly available information;
  - 2.2.6. Selection of valuation approach and valuation methodology/(ies), in accordance with IVS, as considered appropriate and relevant by me;
  - 2.2.7. Conducted physical site visit of the road stretch of all the projects;
  - 2.2.8. Determination of fair EV of the SPVs and the Associates.

<<This space is intentionally left blank>>

### 3. Overview of InvIT , the SPVs and the Associates

#### The Trust

- 3.1. The Trust is registered with SEBI pursuant to the SEBI InvIT Regulations. The Trust was established on 31<sup>st</sup> December 2020 by Shrem Infra Structure Private Limited as the Sponsor.
- 3.2. It is mainly established to invest in infrastructure assets primarily being in the road sector in India. The units of the Trust are listed on the National Stock Exchange Limited since 22<sup>nd</sup> September 2021.
- 3.3. Shrem InvIT had acquired 3 companies for a total consideration of INR 2732.70 Mn comprising of following companies:
  - Shrem Tollway Private Limited which consisted of 1 SPV – JDTL for a consideration of INR 1084.90 Mn.
  - Shrem Infraventure Private Limited which consisted of 6 SPVs (DLSHL, DKZHL, DWYHPL, DMYHPL, DWBHPL, and DTAHL for a consideration of INR 1143.52 Mn).
  - Shrem Roadways Private Limited which consisted of 17 SPVs for a total consideration of INR 504.28 Mn comprising of DJSTL, DBDTL, DNMTL, DMHTL, DHPTL, DHRTL, DAVTL, DSSTL, Sitamau, DHDTL, DPRTL, DMSTL, DUNTL, DBSTL, DTNTL and DSRTL.
- 3.4. The InvIT had acquired the following SPVs in FY23:

SPV Name	Purchase Price (INR Mn)
DBCHL	907
DGKHL	452
DAAHL	1,147
DSBHL	905
DBBHL	547

- 3.5. There are 3 more projects which are acquired to the extent of 49% and further 51% is proposed to be acquired.
- 3.6. The InvIT comprises of 32 operational road projects having a total length of 9,707 lane Kms. The projects have a presence across eight states in India. Following is a map of India showing the area covered by the SPVs and the Associates of the Trust:

Source: Investment Manager

**Strictly Private and Confidential**

**Background of the SPVs and the Associates**

**3.4. DBL Lucknow Sultanpur Highways Limited (“DLSHL”)**

3.4.1. Summary of details of DLSHL are as follows:

Parameters	Details
Total Length	666.77 Lane Kms
Nos. of Lanes	4
NH / SH	NH 56 (New NH 731)
State Covered	Uttar Pradesh
Area (Start and End)	Lucknow - Sultanpur
Bid Project Cost	INR 2016 Cr
PPP Model	DBFOT
Project Type	HAM
Concession Granted by	NHAI
COD Date	30-Apr-19
Nos. of Annuities	30
Annuity Amount	As per Concession Agreement
Concession Period (CP)	910 days from Appointed date i.e. 08 <sup>th</sup> May 2017 plus 15 years
Trust’s Stake	100% economic ownership

Source: Investment Manager

3.4.2. The map below illustrates the location of the project and the corridor it covers:

Source: Investment Manager

3.4.3. The corridor forms a part of the existing road from 11.500 kilometer to 134.700 kilometer (approximately 127.425 kilometer) on the Lucknow - Sultanpur section of NH 56 (new NH 731).

Sr. No.	Salient Features	As per Site
1	Total Length of the Project Highway	127.425 Km
2	No of Bypass Roads	4 Nos.
3	Flexible Pavement for Main carriageway (2 Lane)	---
4	Slip Roads with 5.5 m Width	14.824 Km
5	Toll Plaza	2 Nos
6	Bus Bays / Bus Shelters	43 Nos .

8	Major Junction	14 Nos.
9	Minor Junctions	110 Nos .

**Strictly Private and Confidential**

10	Vehicle Underpass	4 Nos.
11	Pedestrian/Cattle Underpass	6 Nos.
12	ROB	1 No
13	Major Bridges	1 No
14	Minor Bridges for Main Carriageway	13 Nos.
15	Box/Slab Culverts	75 Nos.
16	Pipe Culverts	184 Nos.

- 3.4.4. Dilip Buildcon Limited (“**DBL/Sub Contractor**”) was the original bidder for the Project SPVs, and was also responsible as the EPC contractor for the construction and development of each of the Projects. Pursuant to a master agreement dated 18<sup>th</sup> December 2017 and share acquisition agreements dated 26<sup>th</sup> March 2018, the Shrem group has acquired shareholding in the Project SPVs.
- 3.4.5. The O&M Contract for this project is signed between SPV, Project Manager and Dilip Buildcon Limited whereby DBL will be responsible for discharging all the O&M functions (routine operation and maintenance as well as major maintenance and repairs) required to be discharged under the Concession Agreement.
- 3.4.6. For DLSHL, physical site visit was carried out by my team on 29<sup>th</sup> April 2023. Refer below for pictures of the road stretch of the Project:

**Strictly Private and Confidential**

**3.5. DBL Kalmath Zaraph Highways Limited (“DKZHL”)**

3.5.1. Summary of details of DKZHL are as follows:

Parameters	Details
Total Length	267.40 Lane Kms
Nos. of Lanes	4
NH / SH	NH 17 (new NH 66)
State Covered	Maharashtra
Area (Start and End)	Kalmath - Zaraph
Bid Project Cost	INR 914 Cr
PPP Model	DBFOT
Project Type	HAM
Concession Granted by	MoRTH
COD Date	23 March 2020
Nos. of Annuities	30
Annuity Amount	As per Concession Agreement
Concession Period (CP)	730 days from Appointed date i.e. 01 <sup>st</sup> February 2018 plus 15 years
Trust's stake	100% economic ownership

Source: Investment Manager

3.5.2. The map below illustrates the location of the project and the corridor it covers:

Source: Investment Manager

3.5.3. The corridor forms a part of the existing road from kilometer 406.030 to kilometer 450.170 (43.905 kilometer) on the Kalmath - Zaraph section of NH 17 (new NH 66).

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway with Rigid Pavement (Considering both sides)	67.121 Km
2	Total Length of Main Carriageway with Flexible Pavement (Considering both sides)	20.799 Km
3	Total length of Service Roads	23.530 Km
4	Total length of Slip Roads	---
5	No of Toll Plazas	1 No
6	No of Bus Bays with Bus Shelters	33Nos. Completed 13 Nos. Construction Pending

**3.10. DBL Gorhar Khairatunda Highways Private Limited (“DGKHL”)**

3.10.1. Summary of details of DGKHL are as follows:

Parameters	Details
Total Length	329.37 Lane Kms
Nos. of Lanes	6
NH / SH	NH 2
State Covered	Jharkhand
Area (Start and End)	Gorhar - Khairatunda
Bid Project Cost	INR 917.00 Cr
Revised Bid Project Cost	INR 811.16 Cr
PPP Model	DBFOT
Project Type	HAM
Concession Granted by	NHAI
PCOD Date	16-Oct-21
COD Date	31-Mar-22
Nos. of Annuities	30
Construction Period	730 days from Appointment Date
Operational Period	15 years commencing from COD
Trust's stake	100% economic ownership

Source: Investment Manager

3.10.2. DBL Gorhar Khairatunda Highways Private Limited (DGKHL) was incorporated on 4<sup>th</sup> April 2018. DGKHPL entered into a Concession Agreement dated 27<sup>th</sup> April 2018 with NHAI The DGKHPL project was awarded to Dilip Buildcon Limited (DBL) by NHAI on 5<sup>th</sup> March 2018 for 15 years of Operation & Maintenance period along with Construction period of 2 Years from the Appointed Date i.e. 19<sup>th</sup> July 2019 of the DGKHL Project, on a Hybrid Annuity Model (HAM). The Project has successfully achieved its PCOD on 16th October 2021.

3.10.3. The corridor forms a part of the existing road from existing chainage kilometer 320.000 to kilometer 359.390 (design chainage: kilometer 326.020 to kilometer 360.300) (approximately 35.02 kilometer) on the Gorhar - Khairatunda section of NH 2.

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway 6 Lane with Flexible Pavement	35.02 Km
2	Total length of Service Roads	33.584 Km
3	Total length of Slip Roads	0 Km
4	No of Toll Plazas	1 No.
5	No of Bus Bays with Bus Shelters	8 Nos.
6	Number of Truck Lay Bays	2 Nos.
7	No of Rest Areas	2 Nos.
8	No of Major Junctions	2 Nos.
9	No of Minor Junctions	48 Nos.
10	No of Vehicular underpasses	7 Nos.
11	No of Light Vehicular underpasses	1 No.
12	No of Pedestrian underpasses	4 Nos.
13	No of Minor Bridges	12 Nos.
14	No of Hume Pipe Culverts	23 Nos.
15	No of Box / Slab Culverts	24 Nos.

### 3.12. **DBL Bellary Byrapura Highways Private Limited (“DBBHL”)**

3.12.1. Summary of details of DBBHL are as follows:

Parameters	Details
Total Length	293.91 Lane Kms
Nos. of Lanes	4
NH / SH	NH 150 A
State Covered	Karnataka
Area (Start and End)	Bellary - Byrapura
Bid Project Cost	INR 1,313.90 Cr
Revised Bid Project Cost	INR 969.01 Cr
PPP Model	DBFOT
Project Type	HAM
Concession Granted by	NHAI
PCOD Date	19-Jan-22
Nos. of Annuities	30
Construction Period	730 days from Appointment Date
Operational Period	15 years commencing from COD
Trust's stake	100% economic ownership

Source: Investment Manager

3.12.2. DBL Bellary Byrapura Highways Private Limited (DBBHL) was incorporated on July 10, 2018. DBBHL entered into a Concession Agreement dated July 16, 2018 with NHAI. The DBBHL project was awarded to Dilip Buildcon Limited (DBL) by NHAI on June 01, 2018 for 15 years of Operation & Maintenance period along with Construction period of 2 Years from the Appointed Date i.e. 24<sup>th</sup> October 2019 of the DBBHL Project, on a Hybrid Annuity Model (HAM). The Project has successfully achieved its PCOD on 19<sup>th</sup> January 2022.

3.12.3. The corridor forms a part of the existing road from kilometres 253.600 to kilometres 308.550 (54.95 kilometres) on the Bellary - Byrapura section of NH 150A:

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway with Flexible Pavement (Considering both sides)	41.68 Km
2	Total length of Service Roads	5.700 Km
3	Total length of Slip Roads	18.800 Km
4	No of Toll Plazas	1 No
5	No of Bus Bays with Bus Shelters	34 Nos.
6	Number of Truck Lay Bays	2
7	No of Rest Areas	1
8	No of Major Junctions	0 Nos.
9	No of Minor Junctions	12 Nos.
10	No of Vehicular underpasses	4 Nos.
11	No of Light Vehicular underpasses	3 Nos.
12	No of Pedestrian underpasses	0 No.
13	No of Flyovers	3 No.
14	No of Major Bridges	2 Nos.
15	No of Minor Bridges	35 Nos.
16	No of Hume Pipe Culverts	5 Nos.
17	No of Box / Slab Culverts	70 Nos.

### 3.13. DBL Sangli Bargaon Highways Private Limited (“DSBHL”)

3.13.1. Summary of details of DSBHL are as follows:

Parameters	Details
Total Length	284.59 Lane Kms
Nos. of Lanes	4
NH / SH	NH 166
State Covered	Maharashtra
Area (Start and End)	Sangli - Bargaon
Bid Project Cost	INR 1,102.40 Cr
Revised Bid Project Cost	INR 1,059.03 Cr
PPP Model	DBFOT
Project Type	HAM
Concession Granted by	NHAI
PCOD Date	25-Apr-22
Nos. of Annuities	30
Construction Period	730 days from Appointment Date
Operational Period	15 years commencing from COD
Trust's stake	100% economic ownership

Source: Investment Manager

3.13.2. DBL Sangli Bargaon Highways Private Limited (DSBHL) was incorporated on April 11, 2018. DSBHL entered into a Concession Agreement dated May 10, 2018 with NHAI. The DSBHL project was awarded to Dilip Buildcon Limited (DBL) by NHAI on March 27, 2018 for 15 years of Operation & Maintenance period along with Construction period of 2 Years from the Appointed Date i.e. 23<sup>rd</sup> May 2019 of the DSBHL Project, on a Hybrid Annuity Model (HAM). The Project has successfully achieved its PCOD on 25<sup>th</sup> April 2022.

3.13.3. The corridor forms a part of the existing road from kilometres 182.556 to kilometres 224.000 (41.44 kilometres) on the Sangli - Bargaon section of NH 166

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway with Rigid Pavement	41.44 Kms
2	Total length of Service Roads	15.20 Kms
3	Total length of Slip Roads	23.47 Kms
4	No of Toll Plazas	01 No
5	No of Bus Bays with Bus Shelters	28 Nos.
6	Number of Truck Lay Bays	02 Nos.
7	No of Rest Areas	Nil
8	No of Major Junctions	Nil
9	No of Minor Junctions	29 Nos.
10	No of Vehicular underpasses	09 Nos.
11	No of Light Vehicular underpasses	13 Nos.
12	No of Major Bridges	Nil
13	No of Minor Bridges	14 Nos.
14	No of Pipe Culverts	71 Nos.
15	No of Box / Slab Culverts	20 nos.
16	No of Road Over Bridges (ROBs)	03 Nos.

**3.14. DBL Byrapura Challakere Highways Private Limited (“DBCHL”)**

3.14.1. Summary of details of DBCHL are as follows:

Parameters	Details
Total Length	297.71 Lane Kms
Nos. of Lanes	4
NH / SH	NH 150 A
State Covered	Karnataka
Area (Start and End)	Byrapura - Challakere
Bid Project Cost	INR 841.70 Cr
Project Type	HAM Annuity
Concession Granted by	NHAI
PCOD Date	15-Dec-20
Nos. of Annuities	30
Construction Period	730 days from Appointment Date
Operational Period	15 years commencing from COD
Trust's stake	100% economic ownership

3.14.2. DBL Byrapura Challakere Highways Private Limited (DBCHL) was incorporated on April 11, 2018. DBCHL entered into a Concession Agreement dated May 09, 2018 with NHAI. The DBCHL project was awarded to Dilip Buildcon Limited (DBL) by NHAI on June 01, 2018 for 15 years of Operation & Maintenance period along with Construction period of 2 Years from the Appointed Date i.e. 31<sup>st</sup> December 2018 of the DBCHL Project, on a Hybrid Annuity Model (HAM). The Project has successfully achieved its PCOD on 15<sup>th</sup> December 2020.

3.14.3. The corridor forms a part of the existing road from kilometres 308.550 to kilometres 358.500 (49.95 kilometres) on the Byrapura to Challakere section of National Highway No.150A:

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway with Flexible Pavement (Considering both sides)	49.95 Km
2	Total length of Service Roads	14.01 Km
3	Total length of Slip Roads	9.97 Km
4	No of Toll Plazas	1 No
5	No of Bus Bays with Bus Shelters	34 Nos.
6	Number of Truck Lay Bays	4
7	No of Rest Areas	2
8	No of Major Junctions	0 Nos.
9	No of Minor Junctions	14 Nos.
10	No of Vehicular underpasses	0 Nos.
11	No of Light Vehicular underpasses	6 Nos.
12	No of Pedestrian underpasses	2 No.
13	No of Flyovers	4 No.
14	No of Major Bridges	0 Nos.
15	No of Minor Bridges	30 Nos.
16	No of Hume Pipe Culverts	32 Nos.
17	No of Box / Slab Culverts	44 Nos.

**3.15. DBL Chandikhole Bhadrak Highways Private Limited (“DCBHL”)**

3.15.1. Summary of details of DCBHL are as follows:

Parameters	Details
Total Length	710.98 Lane Kms
Nos. of Lanes	6
NH / SH	NH 16
State Covered	Odisha
Area (Start and End)	Chandikhole - Bhadrak
Bid Project Cost	INR 1,522 Cr
PPP Model	DBOT Annuity
Project Type	HAM
Concession Granted by	NHAI
PCOD Date	24-July-22
Nos. of Annuities	30
Construction Period	910 days from Appointment Date
Operational Period	15 years commencing from COD

*Source: Investment Manager*

- 3.15.2. DBL Chandikhole Bhadrak Highways Private Limited (DCBHL) was incorporated on 6<sup>th</sup> February 2018. DCBHL entered into a Concession Agreement dated 09<sup>th</sup> April 2018 with NHAI. The DCBHL project was awarded to Dilip Buildcon Limited (DBL) by NHAI on 12<sup>th</sup> December 2017 for 15 years of Operation & Maintenance period along with Construction period of 2.5 Years from the Appointed Date i.e. 16<sup>th</sup> December 2018 of the DCBHL Project, on a Hybrid Annuity Model (HAM). The Project has successfully achieved its PCOD on 24<sup>th</sup> November 2022.
- 3.15.3. As on the Valuation Date, the Trust holds only 49% of the equity stake in DCBHL due to regulatory restrictions on change in ownership under the Concession Agreement. Considering the current valuation of associates, being conducted at the enterprise value level, where the Trust has rights to acquire the balance equity stake at an agreed mechanism, I find it appropriate to not provide consider any discount for lack of control.
- 3.15.4. The corridor forms a part of the existing road from existing kilometre 62.000 to kilometre 136.500 (approximately 74.500 km) on the Chandikhole-Bhadrak section of National Highway No. 5 (New NH – 16) (hereinafter called the “NH – 5 (New NH – 16)” in the state of Odisha.

Sr. No.	Salient Features	As per Site
1	Total Length of Main Carriageway 6 Lane with Flexible Pavement	74.50 Km
2	Total length of Service Roads	94.738 Km
3	Total length of Slip Roads	0 Km
4	No of Toll Plazas	1 No.
5	No of Bus Bays with Bus Shelters	18 Nos.
6	Number of Truck Lay Bays	0 Nos.
7	No of Rest Areas	1 Nos.
8	No of Major Junctions	0 Nos.
9	No of Minor Junctions	35 Nos.
10	No of Vehicular underpasses	17 Nos.
11	No of Light Vehicular underpasses	0 No.
12	No of Pedestrian underpasses	24 Nos.
13	No of Minor Bridges	45 Nos.
14	No of Hume Pipe Culverts	5 Nos.
15	No of Box / Slab Culverts	54 Nos.

3.34.3. The corridor forms a part of the existing NH 3 from kilometer 332.100 to kilometer 426.100 (approximately 93.500 kilometer) on the Guna-Biaora section of NH 3. Post the introduction of road, the time taken to cover this length of ~93.5 km has reduced from 5 hours to 1.5 hours.

Sr. No.	Salient Features	As per Site
1	Length of 4-Lane road	93.57 km
2	Service Road	23.90 Km
3	No and Length of Bypass	2 Nos., 7.95 Km
4	Toll Plaza	2 Nos.
5	Bus Bays / Bus Shelters	44 Nos.
6	Truck Lay Bays	4 Nos.
7	Rest Area	1 No.
8	Major Junction	7 Nos.
9	Minor Junctions	34 Nos.
10	Major Bridges	4 Nos.
11	Minor Bridges	34 Nos.
12	Box/Slab Culverts	18 Nos.
13	Pipe Culverts	84 Nos.
14	Flyovers	2 Nos.
15	Foot Over Bridge	2 Nos.
16	Public Under Pass/ Covered Under Pas	8 Nos
17	Vehicle Under Pass	4 Nos

**Strictly Private and Confidential**

- 3.34.4. DBL was the original bidder for the Project SPVs, and was also responsible as the EPC contractor for the construction and development of each of the Projects. Pursuant to a term sheet dated 24th August 2017, master agreement dated 18<sup>th</sup> December 2017 and share acquisition agreements dated 26<sup>th</sup> March 2018, the Shrem group has acquired shareholding in the Project SPVs.
- 3.34.5. The O&M Contract for this project is signed between SPV, Project Manager and Dilip Buildcon Limited whereby DBL will be responsible for discharging all the O&M functions (routine operation and maintenance as well as major maintenance and repairs) required to be discharged under the Concession Agreement.
- 3.34.6. For JDTL, physical site visit was carried out by my team on 21<sup>st</sup> April 2023. Refer below for pictures of the road stretch of the Project:

**3.35. Suryavanshi Infrastructure Private Limited (“SUIPL”)**

3.35.1. Summary of details of SUIPL are as follows:

Parameters	Details
Total Length	132 Lane Kms
Nos. of Lanes	2
NH / SH	SH 59
States Covered	Madhya Pradesh
Area (Start and End)	Mandsaur – Dipakheda
Project Cost	INR 29 Cr
PPP Model	DBFOT

**Strictly Private and Confidential**

Project Type	Toll
Concession Granted by	MPRDC
COD Date	05 February 2009
Concession Period (CP)	25 years from Appointed Date i.e. 27 <sup>th</sup> November 2017
Concession End Date	30 March 2033
Trust's stake	100% economic ownership

Source: Investment Manager

3.35.2. The map below illustrates the location of the project and the corridor it covers:

Source: Investment Manager

3.35.3. The corridor forms a part of Mandsaur - Sitamau section from existing kilometer stone 18 and ends at the existing kilometer stone 62 at Chambal River (Rajasthan border) (total 44 kilometer) on SH 14.

Sr. No.	Salient Features	As per Site
1	Total Length of Intermediate (Flexible)	43 Km
2	Total Length of 5.5 to 7m wide (Flexible)	1 Km
3	Toll Plaza	1 No.
4	Bus Shelters	Nil
5	Truck Lay Bays (Both sides)	Nil
6	Major/Minor Junction	13 Nos.
7	ROB	Nil
8	Major Bridges	1 No.
9	Minor Bridges	4 Nos.
10	Pipe Culverts	27 Nos.
11	Slab Culverts	15 Nos.

3.35.4. DBL was the original bidder for the Project SPVs, and was also responsible as the EPC contractor for the construction and development of each of the Projects. Pursuant to a term sheet dated 24<sup>th</sup> August 2017 master agreement dated 18<sup>th</sup> December 2017 and share acquisition agreements dated 26<sup>th</sup> March 2018, the Shrem group has acquired shareholding in the Project SPVs.

3.35.5. The O&M Contract for this project is signed between SPV, Project Manager and Dilip Buildcon Limited whereby DBL will be responsible for discharging all the O&M functions (routine operation and maintenance as well as major maintenance and repairs) required to be discharged under the Concession Agreement.

3.35.6. For SUIPL, physical site visit was carried out by my team on 21<sup>st</sup> April 2023. Refer below for pictures of the road stretch of the Project:

<<This space is intentionally left blank>>

#### 4. Overview of the Industry

##### 4.1 Introduction

- 4.1.1 The road infrastructure is an important determinant of economic growth in India and it plays a significant role in the economy’s overall development process.
- 4.1.2 Creation and operation of quality road infrastructure continue to be major requirements for enabling overall growth and development of India in a sustained manner.
- 4.1.3 Bridging of existing infrastructure gaps and creating additional facilities to cater to the increasing population are equally important. Apart from providing connectivity in terms of enabling movement of passengers and freight, roads act as force multipliers in the economy.
- 4.1.4 Further, roads play a significant role in times of natural calamities, wars and other such events in terms of timely evacuation of the impacted population, carriage of relief material and other associated movements. Government takes cognisance of this requirement and road infrastructure remains to be a focus area.

##### 4.2 Road Network in India

- 4.2.1 India has the second largest road network in the world, spanning over 6.37 million kms. Over 64.5% of all goods in the country are transported through roads, while 90% of the total passenger traffic uses road network to commute.

Source: IBEF Roads Report, November 2022

- 4.2.2 Out of this around 1.41 lakh km are National Highways (“NHs”). Significantly, NHs constitute around 2 per cent of the total road network in the country but carry about 40% of the road traffic. The density of India’s highway network at 1.89 km of roads per square kilometer of land – is similar to that of the France (1.98) and much greater than China’s (0.49) or USA’s (0.68).

##### 4.3 Government Agencies for Road Development

- 4.3.1 The Ministry of Road Transport & Highway (“**MoRTH**”) is responsible for development of Road Transport and Highways in general and construction & maintenance of National Highways.
- 4.3.2 The National Highways Authority of India (“**NHAI**”) is an autonomous agency of the Government of India, set up in 1988 and is responsible for implementation of National Highways Development Project (“**NHDP**”).
- 4.3.3 The NHDP in the context of NHs is nearing completion- in seven phases. Later, the other highway development programmes like Special Accelerated Road Development Programme for Development of Road Network in North Eastern States (SARDP- NE) and National Highways Interconnectivity Improvement Project (NHIIIP) were also taken up by MoRTH. Further, Bharatmala Pariyojana is ongoing. For majority of the projects under NHDP and Bharatmala Pariyojana, NHAI is the implementation agency. Other NH related programmes/works are being implemented through agencies like National Highways Infrastructure Development Corporation

## Strictly Private and Confidential

Limited (NHIDCL), State Public Works Departments (PWDs), State Road Development Corporations and the Border Road Organization.

- 4.3.4 Roads in the jurisdiction of state governments are under different categories like State Highways (“SHs”) and Major District Roads. They are being developed/ upgraded through State PWDs and State Road Development Corporations. Pradhan Mantri Gramm Sadak Yojana is being implemented for rural roads through the Ministry of Rural Affairs with active participation by state governments. Further, roads within urban areas are maintained/ developed mostly with PWDs and Urban Local Bodies.
- 4.3.5 State Governments have a significant role to play in developing the SHs, Major District Roads, Other District Roads to ensure the last mile connectivity. States have varying levels of maturity in terms of road infrastructure development due to issues such as inadequate identification and prioritization of projects, funding shortfall, limited institutional capacity to implement projects, etc.

### Top 5 states by length of NHs in India (in Km)

Source: MoRTH, Government of India.

## 4.4 Trend of Road and Highways Construction

- 4.4.1 The length of National Highways awarded has almost doubled in the years FY15 to FY18 compared to FY11 to FY14. Length of NHs constructed has increased by 70% during the same period. This pace is expected to gain further ground, with the ambitious targets set by the ministry and the implementation of the Bharatmala Pariyojana as MORTH is planning to construct around 83,677 km of national highways at an estimated cost of Rs 10.63 trillion (US\$ 130 billion) after factoring in cost escalations up to December 2021.
- 4.4.2 India has become the fastest highway developer in the world with 28.64 kms of highways built each day in 2021-22 and plans to construct 18,000 kilometres of national highways in 2022-23 at a record speed of 50 kms per day.
- 4.4.3 Under the Union Budget 2022-23, the Government of India has allocated Rs. 199,107 crore (US\$ 26.04 billion) to the Ministry of Road Transport and Highways.
- 4.4.4 The GST on construction equipment has been reduced to 18% from 28%, which is expected to give a boost to infrastructure development in the country.
- 4.4.5 The NHDP is a program to upgrade, rehabilitate and widen major highways in India to a higher standard. The project was started in 1998 to be implemented in 7 phases.
- 4.4.6 With the launch of Bharatmala project, 10,000 km of highway construction left under NHDP was merged with Phase I of the Bharatmala project.
- 4.4.7 The Indian government launched Gati Shakti-National Master Plan, which has consolidated a list of 81 high impact projects, out of which road infrastructure projects were the top priority. The major highway projects include the Delhi-Mumbai expressway (1,350 kilometres), Amritsar-

## Strictly Private and Confidential

Jamnagar expressway (1,257 kilometres) and Saharanpur-Dehradun expressway (210 kilometres).

- 4.4.8 The main aim of this program is a faster approval process by digitizing the process through a dedicated Gati shakti portal.
- 4.4.9 In December 2021, the government set a highway monetization target of Rs. 2 trillion (US\$ 26.20 billion) for the next 3 years.
- 4.4.10 The Ministry of Road Transport and Highways awarded road projects with a total length of 12,731 kms in FY22 as against 10,964 km in FY 21.
- 4.4.11 In FY 22, 10,457 kms of highways have been constructed against 13,298 kms of highway constructed in FY 21 across India.
- 4.4.12 The Government of India has allocated Rs. 111 lakh crore (US\$ 13.14 billion) under the National Infrastructure Pipeline for FY 2019-25. The Roads sector is expected to account for 18% capital expenditure over FY 2019-25.
- 4.4.13 NHAI is planning to raise Rs. 40,000 crore (US\$ 5.72 billion) to monetise its highway assets through Infrastructure Investment Trust (InvIT). Launched in November 2021, NHAI InvIT had raised Rs 8,011 crore for NHAI in its maiden round, with initial portfolio of five operating toll roads of aggregate length of 390 km.
- 4.4.14 The development of market for roads and highways is projected to exhibit a CAGR of 36.16% during 2016-2025, on account of growing government initiatives to improve transportation infrastructure in the country.

### Details of national highways awarded (by NHAI) and constructed in India (KMs):

## 4.5 Implementation of important projects and expressways:

### 4.5.1 Bharatmala Pariyojna

Bharatmala Pariyojana is a new umbrella program for the highways sector that focuses on optimizing efficiency of freight and passenger movement across the country by bridging critical infrastructure gaps through effective interventions like development of Economic Corridors, Inter Corridors and Feeder Routes, National Corridor Efficiency Improvement, Border and International connectivity roads, Coastal and Port connectivity roads and Green-field expressway.

The Bharatmala Pariyojana envisages development of about 26,000 km length of Economic Corridors, which along with Golden Quadrilateral (GQ) and North-South and East-West (NS-EW) Corridors are expected to carry majority of the Freight Traffic on roads.

## Strictly Private and Confidential

A total length of 34,800 km in road projects have been proposed to be constructed with an estimated outlay of Rs 5.35 trillion (US\$ 74.15 billion) under Bharatmala Pariyojana Phase-I over a five year period (2017-18 to 2021-22). In Bharatmala Pariyojana, 60% projects on Hybrid Annuity Mode, 10% projects on BOT (Toll) Mode and 30% projects on EPC mode have been envisaged respectively.

Components under Bharatmala Pariyojana Phase-I are as given below:

Component	Length (Km)	Cost (INR Crore)
Economic corridors development	9,000	1,20,000
Inter-corridor & feeder roads	6,000	80,000
National Corridors Efficiency	5,000	1,00,000
Border & International connectivity	2,000	25,000
Coastal & port connectivity roads	2,000	20,000
Expressways	800	40,000
<b>Sub Total</b>	<b>24,800</b>	<b>3,85,000</b>
Other works - under NHDP	10,000	1,50,000
<b>Total</b>	<b>34,800</b>	<b>5,35,000</b>

Source: Ministry of Road Transport and Highways, Government of India

The completion cost of Phase-I is now estimated 10.63 trillion (US\$ 130 billion) after factoring in cost escalations up to December 2021 and is 99% higher than the initial estimates owing to substantial rise in land acquisition cost, and steep increase in input costs. It is expected to be completed in FY2028, a delay of six years from the initial envisaged completion date of FY2022. During the last seven years, around 60% (20,632 km vs 34,800 km) of highway length has been awarded as of December 2021, and ~23% of the total length completed till March 2022

### 4.5.2 Char Dham Vikas Mahamarg Pariyojna:

This project envisages development of easy access to the four dhams in India – Gangotri, Yamunotri, Kedarnath and Badrinath. Development of this route of 889 km route is expected at an estimated cost of INR 12,000 Crores.

### 4.5.3 Eastern peripheral and western peripheral expressway

These two projects will connect NH-1 and NH-2 from western and eastern side of Delhi.

### 4.5.4 Setu Bharatam:

This project aims to replace crossings on NHs with Road Over Bridges and Road Under Bridges. It is projected to construct 174 such structures.

### 4.5.5 To further augment road infrastructure, more economic corridors are also being planned by Government of India as revealed in Budget 2021-22.

- a. 3,500 km of National Highway works in the state of Tamil Nadu at an investment of INR 1.03 lakh Crores. These include Madurai-Kollam corridor, Chittoor-Thatchur corridor. Construction will start next year.
- b. 1,100 km of National Highway works in the State of Kerala at an investment of INR 65,000 Crores including 600 km section of Mumbai Kanyakumari corridor in Kerala.
- c. 675 km of highway works in the state of West Bengal at a cost of INR 25,000 Crores including upgradation of existing road-Kolkata –Siliguri.
- d. National Highway works of around INR 19,000 Crores are currently in progress in the State of Assam. Further works of more than INR 34,000 Crores covering more than 1300 kms of National Highways will be undertaken in the State in the coming three years.
- e. In the Union Budget of 2022-23, the increase in Budget was a whopping 68% compared to the last year and the government plans to complete 25,000 kilometres of National highways.

**4.6 Opportunities in road development & maintenance in India**

- a. India has joined the league of 15 of global alliance which will work towards the ethical use of smart city technologies
- b. The Government aims to construct 65,000 kms of national highways at a cost of Rs. 5.35 lakh crore (US\$ 741.51 billion).
- c. The government also aims to construct 23 new national highways by 2025.
- d. Road building in India is second least expensive in Asia.
- e. Andhra Pradesh will spend US\$ 296.05 million to build 8,970 kms of roads.
- f. In February 2022, NHAI rolled out a plan to construct 5,795 kilometres of highways that will connect 117 districts. The plan was worth Rs. 1 trillion (US\$ 13.09 billion).

**4.7 Public Private Partnership (“PPP”) Models of road development and maintenance in India**

4.7.1 India has a well-developed framework for Public-Private-Partnerships (PPP) in the highway sector. PPP has been a major contributor to the success story of the roads and highway sector in India. With the emergence of private players over the last decade, the road construction market has become fragmented and competitive. Players bidding for projects also vary in terms of size. PPP modes have been used in India for both development and operation & maintenance of road assets.

NHAI is planning to award 500 km of the 6,500 km target for FY23 through BOT mode. It may give minimum toll revenue guarantee to make it easier for contractors to bid for BOT projects.

4.7.2 In August 2020, the Government of India revised the Model Concession Agreement for BOT projects to plug delays by imposing a deadline on the NHAI and incentivising timely work by concessionaires. According to revised norms, the NHAI will have to hand over 90% of the project land (vacant and ready to build) to private developers, thus creating a more market-friendly sector and attracting more private players.

## Strictly Private and Confidential

### 4.7.3 Road Asset Development Models

- **BOT Toll**

- In a BOT toll project, the concessionaire is responsible for designing, building, financing, operating, maintaining, tolling and transferring the project to the relevant authority at the end of the concession period. The concession period is project specific but is usually for 20-25 years. In BOT Toll model, the concessionaire earns revenue primarily in the form of toll revenue which in turns depends on the traffic on the road stretch. Toll rates are regulated by the government through rules.

- **BOT Annuity**

- Similar to a BOT Toll projects, in BOT Annuity project, the concessionaire is responsible for designing, building, financing, operating, maintaining, tolling and transferring the project to the relevant authority at the end of the concession period. However, in these projects, the right to collect toll on road stretch lies with the government. The concessionaire earns revenue in the form of pre-determined semi-annual annuity payments.

- **HAM**

- Similar to a BOT projects, in HAM project, the concessionaire is responsible for designing, building, financing, operating, maintaining, tolling and transferring the project to the relevant authority at the end of the concession period. However, in these projects, the right to collect toll on road stretch lies with the government. The construction period for HAM projects is project specific and a fixed operation period of 15 years.

### 4.8 **Government Investment in the Sector**

4.8.1 Under Union Budget 2022-23, the Government of India has allocated Rs. 199,107 crore (US\$ 26.04 billion) to the Ministry of Road Transport and Highways.

4.8.2 During 2019-23, NHAI is expected to generate Rs. 1 trillion (US\$ 14.30 billion) annually from toll and other sources.

4.8.3 NHAI is planning to raise Rs. 40,000 crore (US\$ 5.72 billion) to monetize its highway assets through Infrastructure Investment Trust (InvIT). Five operational roads with an estimated enterprise value of INR 5,000 crores have been transferred to the NHAI InvIT.

### 4.9 **Growth Drivers**

#### 4.9.1 Robust Demand :

Growing domestic trade flows have led to rise in commercial vehicles and freight movement; supported by rise in production of commercial vehicles to 752,022 in FY20 which commands stronger road network in India. Higher individual discretionary spending has led to increased spending on two and four wheelers. Domestic sales of passenger vehicles, three-wheelers and two-wheelers, reached 3,069,499, 260,995, and 13,466,412 units, respectively, in FY22. Road's traffic share of the total traffic in India has grown from 13.8% to 65% in freight traffic and from 32% to 90% in passenger traffic over 1951–2019.

#### 4.9.2 Increasing Investment :

Huge investment have been made in the sector with total investment increasing more than three times from Rs. 51,914 crore (US\$ 7.43 billion) in 2014-15 to Rs. 158,839 crore (US\$ 22.73 billion) in 2018- 19. Between FY16 and FY21, budget outlay for road transport and highways increased at a robust CAGR of 13.10%. In 2019-20. Under the Union Budget 2022-23, the Government of India has allocated Rs. 199,107.71 crore (US\$ 26.04 billion) to the Ministry of Road Transport and Highways.

## **Strictly Private and Confidential**

### **4.9.3 Policy Support :**

100% FDI is allowed under automatic route subject to applicable laws and regulations, standardized process for bidding and tolling. Under Union Budget 2022-23, allocation to the rural roads construction scheme PMGSY raised by 36 per cent to Rs 19,000 crore for the fiscal year 2022-23. Government of India has set up India Infrastructure Finance Company (IIFCL) to provide long-term funding for infrastructure projects.

## **4.10 Challenges & Issues in the Sector**

### **4.10.1 Land Acquisition Delays & Cost :**

- Land acquisition cost has increased more than 30% since 2017, primarily due to enhanced compensation payment requirements as per 'The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013'.
- Delay in pre-construction activities (such as land acquisition, relocation) affects project timelines. Land acquisition for road projects involves various stages. Each stage involves a number of stakeholders and regulatory bodies. Thus processes consume considerable time.

### **4.10.2 Regulatory Approvals & Disputes :**

- Road development process requires a number of approvals such as environmental clearance, forest clearance, railways clearance, etc. Each of these activities takes considerable time and non-adherence to timelines result in cost overruns due to delays.
- Claims arising out of disputes between the concessionaire/ contractor and the government authorities are also a significant cost which can lead to large liabilities.

### **4.10.3 Operational Issues :**

- Uncertainty of toll revenue collection and variation of collected toll revenue compared to projected levels as Actual traffic is much less than the anticipated traffic.
- Often unforeseen weather conditions require unplanned O&M, over and above the routine and periodic maintenance activities. This results in enhanced O&M expenses. The increase in O&M costs is also affecting the project returns.

### **4.10.4 Financing road construction projects :**

- In the case of toll motorways, the challenge of financing construction projects is different but still remains. Traditionally, the construction of toll motorways is a profitable investment but in the times of recession, funding may be rare or nonexistent.
- Powerful national economies may be able to efficiently tackle the problem but weaker economies can hardly find the financing sources for road construction projects.

### **4.10.5 Climate Change**

- The road sector is vulnerable to climate change impacts. Climate change and extreme weather events pose a significant challenge to the safety, reliability, effectiveness and sustainability of road transportation systems. Tsunami waves, wildfires, floods and hurricanes constitute a big risk for passengers, vehicles and goods, as well as for the integrity of the transport infrastructure.
- Since reliable road transport is an essential driver of economic growth and social wellbeing worldwide, national road authorities and motorway operators must adapt the infrastructure to climate change and increase the resilience of road transport to extreme weather

## **Strictly Private and Confidential**

### **4.10.6 Economy and cost effectiveness :**

- Among all transport modes, road transport occupies a significant place in short- and medium distance travel operations. However, the unit cost of transportation (per ton × km), compared with other modes of transport, remains high and is getting higher and cost-ineffective as the travel distance increases.
- Road transport cost comprises direct costs (fuel, capital depreciation, maintenance, motorway tolls, ferry fares and wages) and external costs (noise, congestion, infrastructure damages, health and environmental issues).

### **4.11 Recent Initiatives by Government**

#### **4.11.5 Bhoomi Rashi – Land Acquisition Portal**

The ministry has corroborated with the National Informatics Centre, to create Bhoomirashi, a web portal which digitises the cumbersome land acquisition process, and also helps in processing notifications relating to land acquisition online. Processing time, which was earlier two to three months has come down to one to two weeks now.

#### **4.11.6 FASTag – Electronic Toll Collection**

National Electronic Toll Collection (NETC) system, has been implemented on pan India basis in order to remove bottlenecks and ensure seamless movement of traffic and collection of user fee as per the notified rates, using passive Radio Frequency Identification (RFID) technology. India saw a 46 per cent growth in electronic toll collection through FASTags on highways in FY 22 from INR 34,778 Crores in FY 21 to INR 50,855 Crores in FY22. In 2021, the total amount collected through electronic toll was Rs 34,778 crore. Similarly, the number of FASTag transactions also witnessed a growth of around 48 per cent in 2022 as compared to that in 2021. The number of FASTag transactions in 2021 and 2022 was 219 crore and 324 crore, respectively.

#### **4.11.7 Revival of languishing projects**

Projects which were languishing for a number of years have been attempted to be revived, with the help of a number of policy measures taken by the government. Some of the policy measures like Premium deferment in stressed projects, extension of concession period for languishing projects to the extent of delay not attributable to concessionaires, One Time Capital Support for physical completion of languishing projects that have achieved at least 50 per cent physical progress, through one time fund infusion by NHAI, subject to adequate due diligence on a case to case basis.

#### **4.11.8 Rural development**

Under the Union Budget 2022-23, the Government of India allocated Rs. 19,000 (US\$ 2.37 billion) for Pradhan Mantri Gram Sadak Yojana (PMGSY), a 36% rise over the earlier estimate of INR 15,000 in Union Budget 2021-22. Under the Union Budget 2020-21, the Government of India has allocated Rs. 19,500 crore (US\$ 2.79 billion) for Pradhan Mantri Gram Sadak Yojana (PMGSY).

#### **4.11.9 Improve safety standards**

In October 2021, the government announced rules to improve road safety, such as fixed driving hours for commercial truck drivers and a mandate to install sleep detection sensors in commercial vehicles. In October 2020, a memorandum of understanding (MoU) has been signed with the National Highways Authority of India (NHAI) by Guru Nanak Dev University (GNDU) to conduct advanced research on various aspects, including highway architecture, protection and revitalisation. The GNDU will undertake studies on ~137 km length of the National Highways passing through Pathankot, Gurdaspur and Amritsar districts.

## Strictly Private and Confidential

### 4.11.10 Portfolios in roads & highways sector

In October 2020, the National Investment and Infrastructure Fund (NIIF) is making progress towards integrating its road and highway portfolio. The NIIF has acquired Essel Devanahalli Tollway and Essel Dichpally Tollway through the NIIF master fund. These road infra-projects will be supported by Athaang Infrastructure, NIIF's proprietary road network, assisted by a team of established professionals with diverse domain expertise in the transport field.

### 4.11.11 International Tie-ups

In December 2020, the Ministry of Road Transport and Highways signed a MoU with the Federal Ministry of Climate Action, Environment, Energy, Mobility, Innovation and Technology of the Republic of Austria on technology cooperation in the road infrastructure sector.

### 4.11.12 Encourage private funding to reduce finance constraints

- From April 2000 to September 2022, the construction sector in India attracted 26 billion U.S. dollars in foreign direct investments (FDI) for construction development. Another 28 billion U.S. dollars went into construction activities. Maif 2 Investments India Pvt. Ltd. became the first-largest foreign investment in Indian roads sector under toll-operate-transfer (TOT) mode worth Rs. 9,681.5 crore (US\$ 1.50 billion).
- In October 2020, the Asian Development Bank (ADB) and the Government of India signed a US\$ 177 million loan to upgrade 450 kms of state highways and major district roads in Maharashtra.
- In January 2021, the Government of India and New Development Bank (NDB) signed two loan agreements for US\$ 646 million for upgrading the state highway and district road networks in Andhra Pradesh.
- In August 2020, the Government of India revised the Model Concession Agreement for BOT projects to plug delays by imposing a deadline on the NHAI and incentivising timely work by concessionaires.
- According to revised norms, the NHAI will have to hand over 90% of the project land (vacant and ready to build) to private developers, thus creating a more market-friendly sector and attracting more private players.

## 5. Valuation Methodology and Approach

---

- 5.1. The present valuation exercise is being undertaken in order to derive the fair EV of the SPVs and the Associates.
- 5.2. The valuation exercise involves selecting a method suitable for the purpose of valuation, by exercise of judgment by the valuers, based on the facts and circumstances as applicable to the business of the company to be valued.
- 5.3. There are three generally accepted approaches to valuation:
  - (a) "Cost" approach
  - (b) "Market" approach
  - (c) "Income" approach

### 5.4. **Cost Approach**

The cost approach values the underlying assets of the business to determine the business value. This valuation method carries more weight with respect to holding companies than operating companies. Also, cost value approaches are more relevant to the extent that a significant portion of the assets are of a nature that could be liquidated readily if so desired.

#### Net Asset Value ("NAV") Method

The NAV Method under Cost Approach considers the assets and liabilities, including intangible assets and contingent liabilities. The Net Assets, after reducing the dues to the preference shareholders, if any, represent the value of a company.

The NAV Method is appropriate in a case where the main strength of the business is its asset backing rather than its capacity or potential to earn profits. This valuation approach is also used in cases where the firm is to be liquidated, i.e. it does not meet the "Going Concern" criteria.

As an indicator of the total value of the entity, the NAV method has the disadvantage of only considering the status of the business at one point in time.

Additionally, NAV does not properly take into account the earning capacity of the business or any intangible assets that have no historical cost. In many aspects, NAV represents the minimum benchmark value of an operating business.

### 5.5. **Market Approach**

Under the Market approach, the valuation is based on the market value of the company in case of listed companies, and comparable companies' trading or transaction multiples for unlisted companies. The Market approach generally reflects the investors' perception about the true worth of the company.

#### Comparable Companies Multiples ("CCM") Method

The value is determined on the basis of multiples derived from valuations of comparable companies, as manifest in the stock market valuations of listed companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

#### Comparable Transactions Multiples ("CTM") Method

Under the CTM Method, the value is determined on the basis of multiples derived from valuations of similar transactions in the industry. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances. Few of such multiples are EV/Earnings before Interest, Taxes, Depreciation & Amortization ("EBITDA") multiple and EV/Revenue multiple.

#### Market Price Method

Under this method, the market price of an equity share of the company as quoted on a recognized stock exchange is normally considered as the fair value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded. The market value generally reflects the investors' perception about the true worth of the company.

## Strictly Private and Confidential

### 5.6. Income Approach

The income approach is widely used for valuation under "Going Concern" basis. It focuses on the income generated by the company in the past as well as its future earning capability. The Discounted Cash Flow Method under the income approach seeks to arrive at a valuation based on the strength of future cash flows.

#### Discounted Cash Flow Method ("DCF Method")

Under DCF Method value of a company can be assessed using the Free Cash Flow to Firm ("FCFF") or Free Cash Flow to Equity Method ("FCFE"). Under the DCF method, the business is valued by discounting its free cash flows for the explicit forecast period and the perpetuity value thereafter. The free cash flows represent the cash available for distribution to both, the owners and creditors of the business. The free cash flows in the explicit period and those in perpetuity are discounted by the WACC. The WACC, based on an optimal vis-à-vis actual capital structure, is an appropriate rate of discount to calculate the present value of future cash flows as it considers equity-debt risk by incorporating debt-equity ratio of the firm.

The perpetuity (terminal) value is calculated based on the business' potential for further growth beyond the explicit forecast period. The "Constant Growth Model" is applied, which implies an expected constant level of growth for perpetuity in the cash flows over the last year of the forecast period.

The discounting factor (rate of discounting the future cash flows) reflects not only the time value of money, but also the risk associated with the business' future operations. The EV (aggregate of the present value of explicit period and terminal period cash flows) so derived, is further reduced by the value of debt, if any, (net of cash and cash equivalents) to arrive at value to the owners of the business.

#### Conclusion on Valuation Approach

---

- 5.7. It is pertinent to note that the valuation of any company or its assets is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond my control. In performing my analysis, I have made numerous assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the SPVs and the Associates. In addition, this valuation will fluctuate with changes in prevailing market conditions, and prospects, financial and otherwise, of the SPVs and Associates, and other factors which generally influence the valuation of companies and their assets.
- 5.8. The goal in selection of valuation approaches and methods for any business is to find out the most appropriate method under particular circumstances on the basis of available information. No one method is suitable in every possible situation. Before selecting the appropriate valuation approach and method, I have considered various factors, inter-alia, the basis and premise of current valuation exercise, purpose of valuation exercise, respective strengths and weaknesses of the possible valuation approach and methods, availability of adequate inputs or information and its reliability and valuation approach and methods considered by the market participants.

In the present case, the SPVs and the Associates operate and maintain the project facilities in accordance with the terms and conditions under the relevant concession agreement. During the concession period, the SPVs and the Associates operate and maintain the road asset and earn

## **Strictly Private and Confidential**

revenues through annuity fees that are pre-determine or through charges, fees or tolls generated from the asset. The amount of annuity fees are pre-determined and the charges, fees or tolls that they may collect are notified by the relevant government authority, which are usually revised annually as specified in the relevant concessions and toll notifications. In such scenario, the true worth of the business is reflected in its future earning capacity rather than the cost of the project. Accordingly, I have not considered the cost approach for the current valuation exercise.

### **Market Approach**

The present valuation exercise is to undertake fair EV of the SPVs engaged in the road infrastructure projects for a predetermined tenure. Further, the tariff revenue and expenses are very specific to the SPVs depending on the nature of their geographical location, stage of project, terms of profitability. In the absence of any exactly comparable listed companies with characteristics and parameters similar to that of the SPVs, I have not considered CCM method in the present case. In the absence of adequate details about the Comparable Transactions, I was unable to apply the CTM method. Currently, the equity shares of the SPVs are not listed on any recognized stock exchange of India. Hence, I was unable to apply market price method.

### **Income Approach**

Each of the SPVs operates under a BOT or DBFOT concession agreement with the relevant regulatory authorities. Government authorities in India typically award highway infrastructure development projects under BOT concessions, which are characterized by three distinct phases:

1. Build: upon successfully securing a project concession through a competitive bid, a concessionaire secures financing for, and completes construction, of a road;
2. Operate: during the agreed concession period, the concessionaire operates, manages and maintains the road at its own expense and earns revenues by collecting tolls from vehicles using the road; and
3. Transfer: at the end of the agreed concession period, the ownership of the road, the obligation to maintain the road and the right to collect tolls from the vehicles using the road revert to the government entity that granted the concession.

A DBFOT project involves, in addition to the activities required under a BOT project, the provision of engineering design and financing for such project.

Currently, each of the SPVs are completed and are revenue generating SPVs. The revenue of the SPVs is based on tenure, annuity fees, traffic volumes, operations and other factors that are unique to each of the SPVs. The revenue of all the SPVs, except for the Toll SPVs, is mainly derived from the annuity fees and interest income wherever applicable that is defined for a certain period of years under respective Concession Agreement, known as "Concession Period". The annuity fees are typically pre-determined with the relevant government authority and cannot be modified to reflect prevailing circumstances, other than annual adjustments to account for inflation as specified in the concession agreements. The Toll SPVs derive almost all of their revenue from their toll-road operations. Demand for toll roads is primarily dependent on sustained economic development in the regions that they operate in and government policies relating to infrastructure development. The Toll SPVs are substantially dependent on the accuracy of the traffic volume forecasts for their respective projects. The rights in relation to the underlying assets of all the SPVs shall be transferred after the expiry of the Concession Period. Accordingly, since all the SPVs are generating income based on pre-determined agreements / mechanism and since the Investment Manager has provided me with the financial projections of the SPVs for the balance tenor of the concession agreements, DCF Method under the income approach has been considered as the appropriate method for the present valuation exercise.

## 6. Valuation of the SPVs

---

- 6.1. I have estimated the fair EV of the SPVs and the Associates using the DCF Method. While carrying out this engagement, I have relied extensively on the information made available to me by the Investment Manager. I have considered the projected financial statement of the SPVs and the Associates as provided by the Investment Manager.

### Valuation

- 6.2. The key assumptions of the projections provided to us by the Investment Manager are:

#### Key Assumptions:

##### 6.2.1. Revenue cash flows for NHAI Hybrid Annuity Model SPVs (NHAH SPVs)

The Cash flow for the NHAI SPVs can be divided into two segments:

#### **Payment NHAI during the Construction Period:**

Each SPV were eligible to receive 40% of the Bid Project Cost, adjusted for the price index multiple, in 5 equal installments during the construction period. I have been represented by the Investment Manager that all the NHAI HAM SPVs have received the agreed portion of the inflation adjusted bid project cost (of 40%) as per the respective concession agreements. Hence, no further cash flow receipts are attributable towards this segment of cash flows.

**Payment by NHAI during the Operation Period:** Accordingly, the revenue of each of the NHAI HAM SPVs would mainly consists of the following:

- a. **Annuity payments:** The Bid Project Cost remaining, adjusted for the price index multiple, to be paid in pursuance of the respective concession agreements is eligible to be received by the respective SPVs by way of specified biannual installments as mentioned in their respective concession agreement for the balance period of operations.
- b. **Interest:** As per the concession agreements, the SPVs are entitled to receive interest on reducing Balance Completion Cost equal to applicable Bank Rate (as decided by the Monetary Policy Committee and published by the Reserve Bank of India) + 3.00% spread. Such interest is due and payable along with each of the biannual installments as mentioned above; and
- c. **Operations and Maintenance Revenue:** In lieu of O&M expenses to be incurred by SPV, SPVs are eligible for the O&M cost at each biannual installment date duly adjusted for an appropriate inflation rate.

Cash flow for the Associates is also similar.

##### 6.2.2. Revenue cash flows for the State Annuity and Toll Model SPVs (State ATM SPVs)

Under this model, concessionaire is responsible for designing, building, financing, operating, maintaining and transferring the project to the authority at the end of the concession period. The responsibility for tolling is with concessionaire. The concessionaire earns revenue in the following two forms

- a. **Annuity Payments:** The concessionaire earns a pre-determined biannual annuity payment which are made by the government to the concessionaire and are based on the amount or mechanism mentioned in the respective concession agreements;
- b. **Toll Revenue:** In addition to the annuity revenue, each SPV is allowed to levy, demand, collect and appropriate the fees (called as toll fees) from vehicles and persons liable to payment of fees for using their respective road asset. Toll revenues depend on toll receipts, which in turn depend on traffic volumes and toll fees on the toll roads. Based on the representation of the Investment Manager, toll revenue is escalated by 6% per annum throughout the balance project life. The toll revenue is based on the independent third party reports provided to us by the Investment Manager.

## Strictly Private and Confidential

### 6.2.3. Revenue cash flows for the State 100% Annuity Model SPVs (State AM SPVs)

Under this model, concessionaire is responsible for designing, building, financing, operating, maintaining and transferring the project to the authority at the end of the concession period. Under this model, post completion of the road project, the responsibility for tolling is with government. Accordingly, only one mode of revenue is earned by these SPVs that is explained below:

**Annuity Payments:** The concessionaire earns revenue primarily in form of pre – determined biannual annuity payments which are made by the government to the concessionaire based on the respective concession agreements.

### 6.2.4. Revenue cash flows for the Toll SPVs:

Under this mode, the Toll SPVs Are responsible for designing, building, financing, operating, maintaining and transferring the project to the authority at the end of the concession period. The responsibility for tolling is with the Toll SPVs. The concessionaire earns revenue primarily in form of toll revenue.

#### Traffic Volumes

Traffic volumes are directly or indirectly affected by a number of factors, many of which are outside of the control of the Toll SPVs, including: toll fees; fuel prices in India; the frequency of traveler use; the quality, convenience and travel efficiency of alternative routes outside the Toll SPV's network of toll roads; the convenience and extent of a toll road's connections with other parts of the local, state and national highway networks; the availability and cost of alternative means of transportation, including rail networks and air transport; the level of commercial, industrial and residential development in areas served by the Toll SPVs' projects; adverse weather conditions; and seasonal holidays.

#### Toll Rates

During the concession period, the Toll SPVs operate and maintain the road asset and earn revenues through charges, fees or tolls generated from the asset. The amount of charges, fees or tolls that they may collect are notified by the relevant government authorities, which are usually revised annually as specified in the relevant concessions and toll notifications.

The toll rates for the projected period have been derived in the manner stipulated in the individual concession agreements of the Toll SPVs.

In the present case, the Investment Manager has appointed M/s Ramboll India Private Limited (“RFP”) an independent third-party research agency to forecast the traffic volumes and toll revenues for JDTL. As confirmed by the Investment Manager, the traffic volumes and toll revenues for JDTL and other SPVs has been estimated by the traffic consultant after considering overall structure and condition of the projects including analysis of demand and supply and strategic geographical locations of the individual road projects. This was one of the most important input in projecting the toll revenues.

- 6.2.5. **Revenue Sharing with NHAI for JDTL:** This is applicable to JDTL only. The target traffic as per RFP of JDTL is deemed to be 27,136 PCUs as on 1st October 2025. Based on the above traffic forecast, the traffic estimated on the project road as the average of the traffic for the three consecutive accounting years (FY25 to FY27) is estimated to be 32,216 PCUs which is higher than the target traffic. As per concession agreement of JDTL, if the Actual Average Traffic shall have fallen short of or exceeded the target traffic by more than 2.5 percent, then there will be an increase or reduction in concession period. Based on the concession agreement of JDTL, if the traffic in PCUs at target date is higher than the target traffic, then for every 1 percent increase, the concession period shall be decreased by 0.75 percent, and no more than 10 per cent of the base concession period. The concession period may, therefore, be subject to a decrease by 2.6 years to 23.4 years. Accordingly the revised concession period arrive at 07 January 2041. In lieu of reduction in concession period, the concessionaire may opt to pay 25 percent of the realizable fee over the remaining period from 7th January 2041 to NHAI for the balance concession period. As represented to us by

## Strictly Private and Confidential

the Investment Manager, JDTL is expected to share 25% of revenue for balance period, and has projected revenue of JDTL on the net of share of revenue basis (i.e. after deducting 25% of revenue to be shared to NHA). Accordingly, no additional adjustment in relation to share of revenue that belongs to NHA is required in order to derive the enterprise values of the SPVs.

### 6.2.6. Operating and Maintenance Expenses:

Since all the SPVs and Associates are operational on the Valuation Date, following are the major costs incurred by the SPV:

#### **Operation and Maintenance Costs (Routine) (“O&M Costs”)**

These are routine costs incurred every year. These costs are related to normal wear and tear of the road and hence involve repairing the patches damaged mainly due to heavy traffic movement. The primary purpose of these expenses is to maintain the road as per the specifications mentioned in the respective concession agreement.

#### **Major Maintenance and Repairs Costs (“MMR Costs”)**

MMR cost is typically incurred once in few years. These expenses are primarily related to the construction or re-laying of the top layer of the road. Accordingly such costs includes considerable amounts of materials and labour.

In the present case, all the SPVs along with its immediate holding company have entered into a sub-contracting agreement with DBL for the operations, maintenance and management of the SPVs’ road projects. As per the sub-contracting agreement, I understand from the Investment Manager that DBL would be inter-alia responsible for the following:

- a. Operation and maintenance of the road assets (or project) in conformity with the specifications and standards mentioned in the O&M sub-contract agreement, O&M agreement and the concession agreement of the respective SPVs.
- b. Collection of toll fees, if any, from the users of the project as per the provisions of the respective concession agreements
- c. Performing all activities, for ensuring timely release of the annuity (wherever applicable) to the concessionaire in accordance with the provisions of the concession agreement, including coordination with the relevant authority, conducting site visits, undertaking requisite tests at the project site, liaising with relevant officials, submission of test reports;
- d. Performance and fulfilment of all other obligations of the sub-contractor and matters incidental to it

The operating and maintenance expenses that will be incurred by the sub-contractor i.e. DBL shall include:

- a. Cost of salaries and other compensation to employees of the sub-contractor;
- b. Cost of materials, supplies, utilities and other services,
- c. Premium for sub-contractors insurance,
- d. All profit, all license, royalty and other fees, all taxes, duties, cess and fees due and payable for O&M;
- e. All repairs, replacements, reconstruction, reinstatement, improvement, general and major maintenance costs and
- f. All other expenditure required to be incurred under the applicable laws, applicable permits or the concession agreement in connection with the O&M

The obligation of above mentioned activities including incurring major maintenance is with the sub-contractor. The sub-contractor i.e. DBL is expected to incur at its own cost and expenses to undertake the responsibilities of the operation and maintenance of the project including major maintenance and repairs. In lieu of the above services, the SPVs along with its immediate holding company shall be responsible to provide payment to the sub-contractor as per the schedule or mechanism agreed as per the individual concession agreements. I have relied on the details provided by the Investment Manager in relation to the routine

## Strictly Private and Confidential

operating and maintenance expenses as well as the major maintenance and repairs expenses for the projected period.

### 6.2.7. Defect Liability Payments:

As per the respective EPC Agreements between the SPVs and DBL, DBL has provided security deposits to the SPVs in relation to the expected performance guarantee of the Major wear & tear on the project road in relation to the SPVs. This security deposit is expected to be paid back to DBL based on its performance of conducting and incurring the routine O&M and MMR activities for the SPVs. Accordingly, the outflows pertaining to the above security deposits have been considered during the projected period.

6.2.8. **Depreciation and Amortization:** For the purpose of corporate tax calculation, the toll collection rights or the financial rights (intangible assets) of the SPVs are being amortized using straight line method. Under this method, the carrying value of the toll collection rights or the financial rights are amortized in the proportion of balance useful life of the concessionaire period. However for DAAHL, DGKHL, DBSHL, DBBHL, DBCHL, DCBHL, DRSHL and DBNHL I have considered depreciation at the rate of 25% using written down value method as represented by the Investment Manager.

6.2.9. **Capital Expenditure (“Capex”):** As represented by the Investment Manager, regarding the maintenance Capex, the same has already been considered in the Operations & Maintenance expenditure and Major maintenance expenditure for the projected period and regarding the expansion Capex, the SPVs are not expected to incur any capex in the projected period.

6.2.10. **Taxes:** As per the discussions with the Investment Manager, taxes payable by the SPVs for the projected period shall be MAT rates or normal tax rates, whichever is beneficial. While projecting the tax numbers, 80-IA benefits under the Income Tax Act, 1961 has been considered wherever applicable to arrive at tax payable by the SPVs.

As per the discussion with the Investment Manager all the NHAI HAM SPVs except DAAHL, DGKHL, DSBHL, DBBHL, DBCHL, DCBHL, DRSHL are DBNHL are eligible for 80IA considering that the letter of allotment was signed before the sunset clause (i.e. 31<sup>st</sup> March 2017).

As per the discussions with the Investment Manager, for JDTL the company wish to continue with old tax regime till FY 30 and avail the benefits of additional depreciation, section 115 JB and section 80IA and thereafter shift to the new tax regime (the base tax rate of 22%) for the current valuation exercise.

### 6.2.11. Working Capital:

The Investment Manager has provided projected financial information on biannual basis for those SPVs and Associates where annuity payments are the material component of the revenue. The biannual period are based on the annuity dates of the respective SPVs and the Associates. The amount of O&M expenses payable to DBL by the SPVs on the basis of their respective O&M Agreements is also due and payable on the basis of the annuity amount and date on which annuities are received. Hence, for all the SPVs where annuity payments are material component of revenue, there are no receivables and payables estimated to be outstanding at their respective annuity dates during the biannually prepared projected period. Other working capital items outstanding as at the Valuation Date mainly represents the advance income tax, GST input tax (and cash) credit, receivable from NHAI/ State and payable to DBL, prepaid expenses, etc. that are separately adjusted in the calculation of the enterprise values of the SPVs. The Investment Manager has provided projected Working Capital information for all the SPVs. I have relied on the same.

For the Toll SPVs or toll revenues, all the routine expenses are expected to be met by the daily toll collections. Accordingly, I understand the working capital is expected to be stable and is not expected to vary drastically over a period of time. Hence, changes in working capital have been considered as an adjustment for its release or payment in the projected cash flows towards the end of the concession period.

## Strictly Private and Confidential

### 6.3. Impact of Ongoing Material Litigation on Valuation

As on 30<sup>th</sup> June 2023, there are ongoing litigations and tax assessments as shown in Appendix 4A and 4B. As represented by the Investment Manager, the Sponsor would indemnify the Trust and its SPVs against any financial losses suffered or incurred in connection with any pending or threatened claims against the Trust made prior to the transfer of the assets to the Trust, hence no impact has been factored on the valuation of the SPVs.

### 6.4. Discounting Factor for the SPVs/ Associated

#### 6.4.1. Cost of Equity:

Cost of Equity (CoE) is a discounting factor to calculate the returns expected by the equity holders depending on the perceived level of risk associated with the business and the industry in which the business operates.

For this purpose, I have used the Capital Asset Pricing Model (CAPM), which is a commonly used model to determine the appropriate cost of equity for the SPVs.

$$K(e) = R_f + [ERP * Beta] + CSRP$$

Wherein:

K(e) = cost of equity

R<sub>f</sub> = risk free rate

ERP = Equity Risk Premium

Beta = a measure of the sensitivity of assets to returns of the overall market

CSRP = Company Specific Risk Premium (In general, an additional company-specific risk premium will be added to the cost of equity calculated pursuant to CAPM).

For valuation exercise, I have arrived at adjusted cost of equity of the SPVs based on the above calculation (Refer Appendix 2).

#### 6.4.2. Risk Free Rate:

I have applied a risk free rate of return of 7.09% on the basis of the zero coupon yield curve as on 30<sup>th</sup> June 2023 for government securities having a maturity period of 10 years, as quoted on the website of Clearing Corporation of India Limited (“CCIL”).

#### 6.4.3. Equity Risk Premium (“ERP”):

Equity Risk Premium is a measure of premium that investors require for investing in equity markets rather than bond or debt markets. The equity risk premium is estimated based on consideration of historical realised returns on equity investments over a risk-free rate as represented by 10 year government bonds. Based on the aforementioned, a 7% equity risk premium for India is considered appropriate.

#### 6.4.4. Beta:

Beta is a measure of the sensitivity of a company’s stock price to the movements of the overall market index. In the present case, I find it appropriate to consider the beta of companies in similar business/ industry to that of the SPVs for an appropriate period.

**For the valuation of the NHAI HAM SPVs, State ATM SPVs and State AM SPVs, I find it appropriate to consider the beta of MEP Infrastructure Developers Limited, Bharat Road Network Limited and IRB InvIT Fund for an appropriate period. The beta so arrived, is further adjusted based on advantageous factors of mentioned SPVs like completion of projects, revenue certainty, past collection trend, lack of execution uncertainty etc. to arrive at the adjusted unlevered beta appropriate to the SPV**

I have further unlevered the beta of such companies based on market debt-equity of the respective company using the following formula:

$$\text{Unlevered Beta} = \text{Levered Beta} / [1 + (\text{Debt} / \text{Equity}) * (1-T)]$$

## Strictly Private and Confidential

Further I have re-levered it based on debt-equity at 70:30 based on the industry Debt: Equity ratio of annuity based road DBFOT/BOT projects using the following formula:

$$\text{Re-levered Beta} = \text{Unlevered Beta} * [1 + (\text{Debt} / \text{Equity}) * (1-T)]$$

Accordingly, as per above, I have arrived at re-levered betas of the SPVs. (Refer Appendix 2)

**For the valuation of the Toll SPVs**, I find it appropriate to consider the beta of Ashoka Buildcon Limited and IRB Infrastructure Developers Limited for an appropriate period.

I have further unlevered the beta of such companies based on market debt-equity of the respective company using the following formula:

$$\text{Unlevered Beta} = \text{Levered Beta} / [1 + (\text{Debt} / \text{Equity}) * (1-T)]$$

Further I have re-levered it based on debt-equity at 50:50 based on the industry Debt: Equity ratio of a road toll based BOT/DBFOT projects using the following formula:

$$\text{Re-levered Beta} = \text{Unlevered Beta} * [1 + (\text{Debt} / \text{Equity}) * (1-T)]$$

Accordingly, as per above, I have arrived at re-levered betas of the SPVs. (Refer Appendix 2)

### 6.4.5. Company Specific Risk Premium (“CSR”):

Discount Rate is the return expected by a market participant from a particular investment and shall reflect not only the time value of money but also the risk inherent in the asset being valued as well as the risk inherent in achieving the future cash flows. In the present case, considering the counter-party risk for certain SPVs and Associates, considering the length of the explicit period for the Toll SPVs, and basis my discussion with Investment Manager, I found it appropriate to consider the following CSRs:

Sr. No.	SPV/ Associate	CSR
1	DLSHL	0.0%
2	DKZHL	0.0%
3	DYWHL	0.0%
4	DTAHL	0.0%
5	DWBHL	0.0%
6	DMYHL	0.0%
7	DGKHL	0.0%
8	DBBHL	0.0%
9	DAAHL	0.0%
10	DSBHL	0.0%
11	DBCHL	0.0%
12	DCBHL	0.0%
13	DRSHL	0.0%
14	DBNHL	0.0%
15	DAVTL	0.5%
16	DBSTL	0.5%
17	DHDTL	0.5%
18	DSSTL	0.5%
19	Sitamau	0.5%
20	DMSTL	0.5%
21	DUNTTL	0.5%
22	DSBTL	0.5%
23	DPRTL	0.5%
24	DTNTL	0.5%
25	DNMTL	0.5%
26	DBDTL	0.5%
27	DJSTL	0.5%
28	DMHTL	0.5%
29	DHPTL	0.5%
30	DHRTL	0.5%
31	JDTL	1.0%
32	SUIPL	1.0%

**6.4.6. Cost of Debt:**

The calculation of Cost of Debt post-tax can be defined as follows:

$$K(d) = K(d) \text{ pre-tax} * (1 - T)$$

Wherein:

$$K(d) = \text{Cost of debt}$$

T = tax rate as applicable

For the current valuation exercise, pre-tax cost of debt has been considered on the basis of available details and representation provided by the Investment Manager.

Further, the Investment Manager has represented to me that the current cost of debt at the Trust level is not expected to increase significantly even for any change in the Debt : Equity ratio upto the targeted Debt:Equity.

**6.4.7. Weighted Average Cost of Capital (WACC):**

The discount rate, or the WACC, is the weighted average of the expected return on equity and the cost of debt. The weight of each factor is determined based on the company's optimal capital structure.

Formula for calculation of WACC:

$$WACC = [K(d) * Debt / (Debt + Equity)] + [K(e) * (1 - Debt / (Debt + Equity))]$$

Accordingly, as per above, I have arrived the WACC for the explicit period of the SPVs. (Refer Appendix 2 for detailed workings).

**6.4.8. Cash Accrual Factor:**

Discounted cash flow require to forecast cash flows in future and discount them to the present in order to arrive at present value of the asset as on Valuation Date. To discount back the projections we use the Cash Accrual Factor ("CAF"). The Cash Accrual Factor refers to the duration between the Valuation date and the point at which each cash flow is expected to accrue.

In case of HAM Projects, the annuities are received bi-annually at a predetermined date and the concession agreement provides that the annuities would be realized in 15 days from the annuity date. Hence we have considered the annuity realizations date for the purpose of determination of the CAF Accordingly, the cash flows during each year of the projected period are discounted back from the respective annuity realization to Valuation Date.

Further, in case of State Annuity and State Annuity plus Toll Projects, we have considered the annuity dates for the purpose of determination of CAF.

In case of Toll Projects, since the cash inflows and outflows occur continuously year-round, it is assumed that the Cash Flows are received in the middle of the annual period ,i.e., Mid-point factor. Accordingly, the cash flows during each year of the projected period are discounted back from the mid-year to Valuation Date.

**6.4.9. Discounting Factor**

Discounted cash flow is equal to sum of the cash flow in each period divided by present value factor, where the present value factor is determined by raising one plus discount rate (WACC) raised to the power of the CAF.

$$DCF = [CF1 / (1+r)^{CAF1}] + [CF2 / (1+r)^{CAF2}] + ... + [CFn / (1+r)^{CAFn}]$$

Where,

CF = Cash Flows,

CAF = Cash accrual factor for particular period

R = Discount Rate (i.e. WACC)

**Strictly Private and Confidential**

- 6.5. At the end of the agreed concession period, the rights in relation to the underlying assets, its operations, the obligation to maintain the road and the right to collect tolls from the vehicles using the road revert to the government authority that granted the concession by the SPVs. Hence, SPVs are not expected to generate cash flow after the expiry of their respective concession agreements. Accordingly, I found it appropriate not to consider terminal period value, which represents the present value at the end of explicit forecast period of all subsequent cash flows to the end of the life of the asset or into perpetuity if the asset has an indefinite life, in this valuation exercise.

### 7. Valuation Conclusion

- 7.1. The current valuation has been carried out based on the discussed valuation methodology explained herein earlier. Further, various qualitative factors, the business dynamics and growth potential of the business, having regard to information base, management perceptions, key underlying assumptions and limitations were given due consideration.
- 7.2. I have been represented by the Investment Manager that there is no potential devolvement on account of the contingent liability as of valuation date; hence no impact has been factored in to arrive at fair EV of the SPVs.
- 7.3. Based on the above analysis, the fair EV as on the Valuation Date of the SPVs is as mentioned below:

SPVs	Explicit Projection period		Fair Enterprise Value (INR Mn)
	End Date	Balance Period	
DLSHL	27 April 2034	~10 Years 10 Months	9,490
DKZHL	19 March 2035	~11 Years 9 Months	3,985

<b>Total</b>			<b>88,294</b>

## Strictly Private and Confidential

- 7.4. Based on the above analysis, the fair EV as on the Valuation Date of the Associates is as mentioned below:

Associates	Explicit Projection period		Fair Enterprise Value (INR Mn)
	End Date	Balance Period	
DCBHL	23 July 2037	~14 Years 1 Months	8,251
DRSHL	09 November 2037	~14 Years 4 Months	5,884
DBNHL	10 December 2037	~14 Years 5 Months	12,090
<b>Total</b>			<b>26,224</b>

*(Refer Appendix 1 for detailed workings)*

- 7.5. EV is described as the total value of the equity in a business plus the value of its debt and debt related liabilities, minus any cash or cash equivalents to meet those liabilities.
- 7.6. Valuation is based on estimates of future financial performance or opinions, which represent reasonable expectations at a particular point of time, but such information, estimates or opinions are not offered as predictions or as assurances that a particular level of income or profit will be achieved, a particular event will occur or that a particular price will be offered or accepted. Actual results achieved during the period covered by the prospective financial analysis will vary from these estimates and the variations may be material.
- 7.7. Accordingly, I have conducted sensitivity analysis on certain model inputs, the results of which are as indicated below:
1. Weighted Average Cost of Capital (WACC) by increasing / decreasing it by 1.0%;
  2. Expenses by increasing / decreasing it by 20%

**8. Additional Procedures to be complied with in accordance with InvIT regulations**

---

**Scope of Work**

- 8.1. The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report. In this reference, the minimum disclosures in valuation report may include following information as well, so as to provide the investors with the adequate information about the valuation and other aspects of the underlying assets of the InvIT. The additional set of disclosures, as prescribed under Schedule V of InvIT Regulations, to be made in the valuation report of the SPVs are as follows:
- List of one-time sanctions/approvals which are obtained or pending;
  - List of up to date/overdue periodic clearances;
  - Statement of assets;
  - Estimates of already carried as well as proposed major repairs and improvements along with estimated time of completion;
  - Revenue pendencies including local authority taxes associated with SPV/ Associate and compounding charges, if any;
  - On-going material litigations including tax disputes in relation to the assets, if any;
  - Vulnerability to natural or induced hazards that may not have been covered in town planning/ building control.

**Limitations**

- 8.2. This Report is based on the information provided by the representatives of the Investment Manager. The exercise has been restricted and kept limited to and based entirely on the documents, records, files, registers and information provided to me. I have not verified the information independently with any other external source.
- 8.3. I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as original, and the conformity of the copies or extracts submitted to me with that of the original documents.
- 8.4. I have assumed that the documents submitted to me by the representatives of Investment Manager in connection with any particular issue are the only documents related to such issue.
- 8.5. I have reviewed the documents and records from the limited perspective of examining issues noted in the scope of work and I do not express any opinion as to the legal or technical implications of the same.

**Analysis of Additional Set of Disclosures for the SPVs**

A. List of one-time sanctions/approvals which are obtained or pending:

As informed by the Investment Manager there are no applications for government sanctions/licenses obtained by the SPVs related to the Road for which approval is pending as on 30<sup>th</sup> June 2023. The list of such sanctions/ approvals obtained by the SPVs till 30<sup>th</sup> June 2023 is provided in Appendix 3.1 to Appendix 3.24. For 4 SPVs viz. DBL Hassan Periyapatna Tollways Limited, DBL Mundargi Harapanahalli Tollways Limited, DBL Hirekerur Ranibennur Tollways Limited and DBL Kalmath Zarap Highways Limited, I was provided with the supplementary agreements entered with the respective Concessioning authorities, which stated that all listed approvals therein are in place. It is to be noted that I was not provided with documents to verify these approvals. Also, for few SPVs, I was not provided with any / complete set of documents. However, all the SPVs have received PCOD/COD and the SPVs have also started receiving annuity payments.

**Strictly Private and Confidential**

B. List of up to date/ overdue periodic clearances:

The Investment Manager has confirmed that the SPVs are not required to take any periodic clearances and hence there are no up to date/ overdue periodic clearances as on 30<sup>th</sup> June 2023.

C. Statement of assets included:

The details of assets of the SPVs as at 30<sup>th</sup> June 2023 are as mentioned below:

## Strictly Private and Confidential

### Note 1:

In the present case, all the SPVs and the Associates have entered into the O&M agreement with the Project Manager of InvIT and Dilip Buildcon Limited for the operations and maintenance services of the SPVs. As per the O&M Contract, I understand from the Investment Manager that DBL would be inter-alia responsible for incurring expenses related all repairs, replacements, reconstruction, reinstatement, improvement, general and major maintenance costs and all other expenditure required to be incurred under the applicable laws, applicable permits or the concession agreement in connection with the O&M. Accordingly, the obligation of incurring major maintenance is with the O&M contractor. The contractor i.e. DBL is expected to incur at its own cost and expenses to undertake the responsibilities of the operation and maintenance of the project including major maintenance and repairs.

As represented to us by the Investment Manager, all the SPVs except for DGKHL, DAAHL, DBBHL, DSBHL, DMHTL, DHPTL, DHRTL and JDTL, the amount payable as operating and maintenance (including Major Maintenance) expenses as per the individual schedule of the respective O&M contract, is the only amount payable by the SPVs to the contractor i.e. DBL in relation to the routine O&M costs as well as major maintenance and repairs costs. The amount payable as operating and maintenance expenses as per the individual schedule of the respective O&M agreement have been considered as part of the operating expenses. Accordingly, the costs attributable towards the major maintenance and repairs for all the SPVs except for DGKHL, DAAHL, DBBHL, DSBHL, DMHTL, DHPTL, DHRTL and JDTL is disclosed as Nil.

E. Revenue pendencies including local authority taxes associated with InvIT asset and compounding charges, if any:

Investment Manager has informed me that there are no material dues including local authority taxes (such as Municipal Tax, Property Tax, etc.) pending to be payable to the government authorities with respect to the SPVs (InvIT assets).

F. On-going material litigations including tax disputes in relation to the assets, if any:

As informed by the Investment Manager, the status of arbitration matters and status of tax assessments are updated in Appendix 4A and 4B respectively. I have noted that majority of the cases are filed by the SPVs against various entities:

Particulars	Number of Cases filed by SPVs	Number of Cases filed against SPVs
Litigations	0	0
Arbitrations	15	3

Investment Manager has informed us that it expects majority of the cases to be settled in favour of the SPVs. Further, Investment Manager has informed us that majority of the cases are having low to medium risk and accordingly no material outflow is expected against the litigations. As represented by the Investment Manager, DBL would indemnify the SPVs against any financial losses suffered or incurred in connection with any pending or threatened claims against the SPVs.

G. Vulnerability to natural or induced hazards that may not have been covered in town planning/building control:

Investment Manager has confirmed to me that there are no such natural or induced hazards which have not been considered in town planning/ building control.

## **9. Sources of Information**

---

For the purpose of undertaking this valuation exercise, I have relied on the following sources of information provided by the Investment Manager:

- 9.1. Audited financial statements of the SPVs/ Associates for year ended 31<sup>st</sup> March 2019, 31<sup>st</sup> March 2020, 31<sup>st</sup> March 2021, 31<sup>st</sup> March 2022 and 31<sup>st</sup> March 2023;
- 9.2. Provisional financial statements of the SPVs/ Associates for three months ended 30<sup>th</sup> June 2023;
- 9.3. Projected financial information for the remaining project life for each of the SPVs and the Associates;
- 9.4. Details of projected Major Maintenance & Repairs (MMR) and Capital Expenditure (Capex);
- 9.5. Traffic Study Projection Report dated 27<sup>th</sup> January 2021 prepared by M/s Ramboll India Private Limited for JDTL;
- 9.6. Details of brought forward losses and MAT credit (as per Income Tax Act) of the SPVs/ Associates as at 30<sup>th</sup> June 2023;
- 9.7. Details of Written Down Value (WDV) (as per Income Tax Act) of assets as at 30<sup>th</sup> June 2023;
- 9.8. Concession Agreement of each of the SPVs/ Associate with respective authority;
- 9.9. Operation & Maintenance Subcontract Agreement entered for each of the SPVs/ Associate with DBL;
- 9.10. List of licenses / approvals, details of tax litigations, civil proceeding and arbitrations of the SPVs/ Associate;
- 9.11. Shareholding pattern as on 30<sup>th</sup> June 2023 of the SPVs and other entities mentioned in this Report;
- 9.12. Management Representation Letter by the Investment Manager dated 07<sup>th</sup> August 2023;
- 9.13. Relevant data and information about the SPVs and the Associate provided to us by the Investment Manager either in written or oral form or in the form of soft copy;
- 9.14. Information provided by leading database sources, market research reports and other published data.

The information provided to me by the Investment Manager in relation to the SPVs and the Associate included but not limited to historical financial statements, forecasts/projections, other statements and assumptions about future matters like forward-looking financial information prepared by the Investment Manager. The forecasts and projections as supplied to me are based upon assumptions about events and circumstances which are yet to occur.

I have not tested individual assumptions or attempted to substantiate the veracity or integrity of such assumptions in relation to the forward-looking financial information, however, I have made sufficient enquiries to satisfy myself that such information has been prepared on a reasonable basis.

Notwithstanding anything above, I cannot provide any assurance that the forward looking financial information will be representative of the results which will actually be achieved during the cash flow forecast period.

## **10. Exclusions and Limitations**

---

- 10.1. My Report is subject to the limitations detailed hereinafter. This Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to herein.
- 10.2. Valuation analysis and results are specific to the purpose of valuation and is not intended to represent value at any time other than the valuation date of 30<sup>th</sup> June 2023 (“Valuation Date”) mentioned in the Report and as per agreed terms of my engagement. It may not be valid for any other purpose or as at any other date. Also, it may not be valid if done on behalf of any other entity.
- 10.3. This Report, its contents and the results are specific to (i) the purpose of valuation agreed as per the terms of my engagements; (ii) the Valuation Date and (iii) are based on the financial information of the SPVs/ Associate till 30<sup>th</sup> June 2023. The Investment Manager has represented that the business activities of the SPVs have been carried out in normal and ordinary course between 30<sup>th</sup> June 2023 and the Report Date and that no material changes have occurred in the operations and financial position between 30<sup>th</sup> June 2023 and the Report date.
- 10.4. The scope of my assignment did not involve me performing audit tests for the purpose of expressing an opinion on the fairness or accuracy of any financial or analytical information that was provided and used by me during the course of my work. The assignment did not involve me to conduct the financial or technical feasibility study. I have not done any independent technical valuation or appraisal or due diligence of the assets or liabilities of the SPVs or any of other entity mentioned in this Report and have considered them at the value as disclosed by the SPVs in their regulatory filings or in submissions, oral or written, made to me.
- 10.5. In addition, I do not take any responsibility for any changes in the information used by me to arrive at my conclusion as set out herein which may occur subsequent to the date of my Report or by virtue of fact that the details provided to me are incorrect or inaccurate.
- 10.6. I have assumed and relied upon the truth, accuracy and completeness of the information, data and financial terms provided to me or used by me; I have assumed that the same are not misleading and do not assume or accept any liability or responsibility for any independent verification of such information or any independent technical valuation or appraisal of any of the assets, operations or liabilities of the SPVs or any other entity mentioned in the Report. Nothing has come to my knowledge to indicate that the material provided to me was misstated or incorrect or would not afford reasonable grounds upon which to base my Report.
- 10.7. This Report is intended for the sole use in connection with the purpose as set out above. It can however be relied upon and disclosed in connection with any statutory and regulatory filing in connection with the provision of SEBI InvIT Regulations. However, I will not accept any responsibility to any other party to whom this Report may be shown or who may acquire a copy of the Report, without my written consent.
- 10.8. It is clarified that this Report is not a fairness opinion under any of the stock exchange/ listing regulations. In case of any third party having access to this Report, please note this Report is not a substitute for the third party's own due diligence/ appraisal/ enquiries/ independent advice that the third party should undertake for his purpose.
- 10.9. Further, this Report is necessarily based on financial, economic, monetary, market and other conditions as in effect on, and the information made available to me or used by me up to, the date hereof. Subsequent developments in the aforementioned conditions may affect this Report and the assumptions made in preparing this Report and I shall not be obliged to update, revise or reaffirm this Report if information provided to me changes.

## Strictly Private and Confidential

- 10.10. This Report is based on the information received from the sources as mentioned in Section 9 of this Report and discussions with the Investment Manager. I have assumed that no information has been withheld that could have influenced the purpose of my Report.
- 10.11. Valuation is not a precise science and the conclusions arrived at in many cases may be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single value. I have arrived at an indicative EV based on my analysis. While I have provided an assessment of the value based on an analysis of information available to me and within the scope of my engagement, others may place a different value on this business.
- 10.12. Any discrepancies in any table / appendix between the total and the sums of the amounts listed are due to rounding-off.
- 10.13. Valuation is based on estimates of future financial performance or opinions, which represent reasonable expectations at a particular point of time, but such information, estimates or opinions are not offered as predictions or as assurances that a particular level of income or profit will be achieved, a particular event will occur or that a particular price will be offered or accepted. Actual results achieved during the period covered by the prospective financial analysis will vary from these estimates and the variations may be material.
- 10.14. I do not carry out any validation procedures or due diligence with respect to the information provided/extracted or carry out any verification of the assets or comment on the achievability and reasonableness of the assumptions underlying the financial forecasts, save for satisfying ourselves to the extent possible that they are consistent with other information provided to me in the course of this engagement.
- 10.15. My conclusion assumes that the assets and liabilities of the SPVs, reflected in their respective latest balance sheets remain intact as of the Report date.
- 10.16. Whilst all reasonable care has been taken to ensure that the factual statements in the Report are accurate, neither myself, nor any of my associates, officers or employees shall in any way be liable or responsible either directly or indirectly for the contents stated herein. Accordingly, I make no representation or warranty, express or implied, in respect of the completeness, authenticity or accuracy of such factual statements. I expressly disclaim any and all liabilities, which may arise based upon the information used in this Report. I am not liable to any third party in relation to the issue of this Report.
- 10.17. The scope of my work has been limited both in terms of the areas of the business & operations which I have reviewed and the extent to which I have reviewed them. There may be matters, other than those noted in this Report, which might be relevant in the context of the transaction and which a wider scope might uncover.
- 10.18. For the present valuation exercise, I have also relied on information available in public domain; however the accuracy and timelines of the same has not been independently verified by me.
- 10.19. In the particular circumstances of this case, my liability (in contract or under any statute or otherwise) for any economic loss or damage arising out of or in connection with this engagement, however the loss or damage caused, shall be limited to the amount of fees actually received by me from the Investment Manager, as laid out in the engagement letter for such valuation work.
- 10.20. In rendering this Report, I have not provided any legal, regulatory, tax, accounting or actuarial advice and accordingly I do not assume any responsibility or liability in respect thereof.
- 10.21. This Report does not address the relative merits of investing in InvIT as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available.

## **Strictly Private and Confidential**

- 10.22. I am not an advisor with respect to legal, tax and regulatory matters for the proposed transaction. No investigation of the SPVs' claim to title of assets has been made for the purpose of this Report and the SPVs' claim to such rights have been assumed to be valid. No consideration has been given to liens or encumbrances against the assets, beyond the loans disclosed in the accounts. Therefore, no responsibility is assumed for matters of a legal nature.
- 10.23. I have no present or planned future interest in the Trust, the Investment Manager or the SPVs and the fee for this Report is not contingent upon the values reported herein. My valuation analysis should not be construed as investment advice; specifically, I do not express any opinion on the suitability or otherwise of entering into any financial or other transaction with the Investment Manager or SPVs.
- 10.24. I have submitted the draft valuation report to the Trust and Investment Manager for confirmation of accuracy of the factual data used in my analysis and to prevent any error or inaccuracy in this Report.
- 10.25. **Limitation of Liabilities**
- i. It is agreed that, having regard to the RV's interest in limiting the personal liability and exposure to litigation of its personnel, the Sponsor, the Investment Manager and the Trust will not bring any claim in respect of any damage against any of RV personally.
  - ii. In no circumstances RV shall be responsible for any consequential, special, direct, indirect, punitive or incidental loss, damages or expenses (including loss of profits, data, business, opportunity cost, goodwill or indemnification) in connection with the performance of the services whether such damages are based on breach of contract, tort, strict liability, breach of warranty, negligence, or otherwise, even if the Investment Manager had contemplated and communicated to RV the likelihood of such damages. Any decision to act upon the deliverables (including this Report) is to be made by the Investment Manager and no communication by RV should be treated as an invitation or inducement to engage the Investment Manager to act upon the deliverable(s).
  - iii. It is clarified that the Investment Manager will be solely responsible for any delays, additional costs, or other liabilities caused by or associated with any deficiencies in their responsibilities, misrepresentations, incorrect and incomplete information including information provided to determine the assumptions.
  - iv. RV will not be liable if any loss arises due to the provision of false, misleading or incomplete information or documentation by the Investment Manager.

**Strictly Private and Confidential**

- 10.26. Further, this Report is necessarily based on financial, economic, monetary, market and other conditions as in effect on, and the information made available to me or used by me up to, the date hereof. Subsequent developments in the aforementioned conditions may affect this Report and the assumptions made in preparing this Report and I shall not be obliged to update, revise or reaffirm this Report if information provided to me changes.

Yours faithfully,

11	Sitamau	DBL Sitamau-Suwasara Tollways Ltd	Madhya Pradesh Road Development Corporation	District & Sessions Court Bhopal	<p><b>Background of the case:</b> The Claimant submitted its claim for the loss of revenue due to shifting of Toll Plaza from KM 19+600 to KM 4+500 KM and another claim on account of cost of construction of new Toll Plaza at the location KM 4+500KM. With regard to Claim 1, the Respondent submitted that the claim is overvalued and is not maintainable because the Respondent never stopped toll collection at KM 4+500.The issues in the Arbitration were as follows:            1) Whether the Claimant is entitled to decide the location of Toll Plaza as per Concession Agreement?            2) &amp; 3) Whether the shifting of Toll Plaza, as envisaged by the Claimant, is permissible as per the provisions of Concession Agreement ? and whether the Claimant is entitled to shift the Toll Plaza from KM 4+500 to KM 19+600?            In the light of the above issues, the Award by Arbitrators was issued on 20 March 2015 wherein the Arbitrator concluded that the claims submitted by the Claimant are baseless, on wrong assumptions, not supported by any conclusive documents and against the provisions of Concession Agreement and hence, all the claims are rejected except the avoidable expenditure incurred by the Claimant to some extent for construction of two Toll Plazas instead of one. Also, the Arbitrators allowed the Claimant to collect Toll for an extended period of 180 days over and above the period to which he is already entitled to collect but no clarified that no annuity shall be payable on account of extension in the period of Toll Collection.            The Claimant not satisfied with the decision of the Arbitration filed an appeal to challenge the award in District Court on 17 June.2015.</p> <p><b>Current Status:</b> The matter is currently pending and the next hearing date is 29 Sep 2023.</p>	
12	Sitamau	Madhya Pradesh Road Development Corporation	DBL Sitamau-Suwasara Tollways Ltd	District & Sessions Court Bhopal	<p><b>Background of the case:</b> With regards to the above mentioned stand taken by the Arbitrators wherein the Respondent (i.e. DBL Sitamau-Suwasara Tollways Ltd.) is entitled for compensation of cost of construction of new Toll and also for collection of Toll for the extended period of 180 days was challenged by the Petitioner (i.e. Madhya Pradesh Road Development Corporation) by an application.            The Petitioner said that once the Learned Arbitral Tribunal accepted that the Respondent had no right to shift the Plaza then the cost of construction expanded by the Respondent became illegal and hence right to get compensation of illegal act is against the law of the land and public policy of India.            Also the Petitioner said that as per the Concession Agreement, the extension of toll collection period can be provided only in case of any force majeure subsist and by which the Concessionaire is unable to collect the fee which is not the case in this plea. Hence award for extension of 180 days is against the provisions of Concession Agreement.            Therefore, the Petitioner prayed that the portion of the award by which period of toll is extended by 180 days is liable to be quashed with cost throughout.</p> <p><b>Current Status:</b> The matter is currently pending and the next hearing date is 07 Nov 2023.</p>

**Litigation involving the Associates of the Sponsor, Investment Manager and Project Manager, including the common associates of the Sponsor, the Investment Manager and the Project Manager.**

**Details of litigation involving the Associates of the Sponsor, is given here below:**

- i. Vilas Shankar Dagade (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 2,47,50,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents had entered into an agreement for purchase of land parcel for a project near Pune. The Complainant were required to comply with some obligations and payment of balance consideration had to be made thereupon. Post-dated cheques were given in good faith. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the Hon'ble court had directed the Respondents to deposit the amount claimed along with the interest. As per Order of Hon'ble court, the Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft after deducting the advance of Rs. 50 lakh paid to the Complainant along with Pro-rata Interest but the same was not being accepted by the Complainant. Shrem Trading LLP and others, have challenged the Order pursuant to which, amount paid in District and Session Court, Pune. The matter is pending.
- ii. Ganesh Bandal and others (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”). Respondent has purchased land from Bandal family i.e. complainant. The said land is now under dispute between Bandal family. The matter is being heard and currently pending.
- iii. The Authorities under the Benami Transactions (Prohibition) Act, 1988 (“Authorities”) have filed a petition against Mr. Pravin Kumar Ostwal and Mr. Nitin Chhatwal (“Respondents”) for the property related matter. The Respondents have approached the Appellate Tribunal for quashing the petition. The matter is currently pending.
- iv. Milan Ratilal Dodhia (“Petitioner”) has filed a petition against Nitin Chhatwal, Smita Chhatwal and Hitesh Chhatwal (“Respondents”) before the Metropolitan Magistrates Court, Vikhroli. The Respondents have approached the Magistrate Court for quashing the aforementioned petition on the ground that the matter has been wrongly filed against them. The matter is currently pending.

Further to above, during the half year ended 30<sup>th</sup> September,2023 the following matters were disposed of.

- i. Vrushali Vilas Dagade (“Complainant”) has filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 1,98,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents had entered into an agreement for purchase of land parcel for a project near Pune. The complainant were required to comply with some obligations and payment of balance consideration had to be made thereupon. Post-dated cheques were given in good faith. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the Hon'ble court had directed the Respondents to deposit the amount claimed along with the

interest. The Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft as per Order of Hon'ble court. The matter is disposed of as per Final Order Dated 31.08.2023.

- ii. Vilas Shankar Dagade (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 1,36,62,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents i.e. the sponsors had entered into an agreement for purchase of land parcel for a project near Pune. The Complainant were required to comply with some obligations and payment of balance consideration had to me made thereupon. Post-dated cheques were given in good faith. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the Hon'ble court had directed the Respondents to deposit the amount claimed along with the interest. The Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft as per Order of Hon'ble court. The matter is disposed of as per Final Order Dated 31.08.2023.
- iii. Vilas Shankar Dagade (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 84,15,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents had entered into an agreement for purchase of land parcel for a project near Pune. The Complainant were required to comply with some obligations and payment of balance consideration had to me made thereupon. Post-dated cheques were given in good faith. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the Hon'ble court had directed the Respondents to deposit the amount claimed along with the interest. The Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft as per Order of Hon'ble court. The matter is disposed of as per Final Order Dated 31.08.2023.
- iv. Sunita Shankar Dagade (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 12.87,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents had entered into an agreement for purchase of land parcel for a project near Pune. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the Hon'ble court had directed the Respondents to deposit the amount claimed along with the interest. The Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft as per Order of Hon'ble court. The matter is disposed of as per Final Order Dated 31.08.2023.
- v. Dhanashri Dagade (“Complainant”) filed an application before the Chief Judicial Magistrate, Pune, against Shrem Trading LLP and others (“Respondent”), for Rs. 1,98,000/-, pursuant to section 138 of the Negotiable Instruments Act, 1881. The Respondents had entered into an agreement for purchase of land parcel for a project near Pune. The Complainant were required to comply with some obligations and payment of balance consideration had to me made thereupon. Post-dated cheques were given in good faith. The Complainants wrongfully deposited the cheques and filed proceedings under sec 138 r/w 141 of Negotiable Instruments Act, 1881. The matter was being heard by the court and the

Hon'ble court had directed the Respondents to deposit the amount claimed along with the interest. The Respondents has made full payment on 24<sup>th</sup> February, 2023 by issuance of Demand Draft as per Order of Hon'ble court. The matter is disposed of as per Final Order Dated 31.08.2023.

**Risk Factors:**

We have identified certain risk factors broadly mentioned below:

**Risks relating to the Trust's business and industry:**

- a. The Special Purpose Vehicles (SPVs/Project SPVs) have entered into concession agreements which contain certain onerous provisions and any failure to comply with such concession agreements could result in adverse consequences including penalties and the substitution of the concessionaire.
- b. In addition, the concession agreements also contain clauses which will allow a concessioning authority to step in, in place of a Project SPVs, in the event of a suspension or termination of the concession agreement. Further, in case of Project SPVs that have been granted concessions by the NHAI, according to the circular dated January 29, 2014 issued by the NHAI, the NHAI or the lenders of such Projects may substitute a Project SPV in the event that the Project SPV is in "financial default"; that is, for example, if the NHAI or the lenders of such Project have a reason to believe that a Project SPV is likely to face financial distress and is likely to default in its obligations under the terms of the relevant concession agreement. The NHAI may also impose a penalty on the defaulting Project SPV.
- c. Further, collection of tolls is subject to the regulations/policies issued by the Government.
- d. In the event that any change in law under a Project's concession agreement imposes a financial burden on the affected Project SPV, the Project SPV may be entitled to approach the relevant concessioning authority to amend its concession agreement or seek compensation such that the Project SPV is placed in its former financial condition. If compensation is sought under such provisions in the concession agreements, there is no assurance that the affected Project SPV will receive such compensation from the relevant concessioning authority in the amounts claimed, in a timely manner, or at all. This could have an adverse effect on the InvIT's financial performance.
- e. The form of the concession agreement has evolved in the previous decade and there is limited guidance available on the interpretation of the terms and conditions contained in such concession agreements. In addition, certain terms of the concession agreements are ambiguous and untested and accordingly, their interpretation by the relevant concessioning authorities may differ from that of the Project SPVs. In the event that the interpretation of the concession agreements is unfavorable to the Project SPVs, their business, financial condition and results of operations may be adversely affected.
- f. Every business is subject to inflation and interest rate risks, and we are not an exception.
- g. The Projects' revenues from tolls are subject to significant fluctuations due to changes in traffic volumes and the mix of traffic and a decline in traffic volumes could adversely affect their business prospects, financial condition, results of operations and their ability to make distributions.
- h. Leakage of the tolls collected on the toll-linked Projects may adversely affect the relevant Project SPVs' revenues and earnings.
- i. The Project SPVs have a limited period to operate the Projects as the concession periods granted to the Project SPVs are fixed.
- j. The Project SPVs, which are responsible for the operation and maintenance of the Projects under the respective concession agreements, may be directed by the relevant concessioning authority to undertake, and the Project SPVs will be obliged to perform, additional construction work.

- k. Newly constructed roads or existing alternative routes may compete with the Projects and result in the diversion of vehicular traffic and a reduction of tolls that the Project SPVs can collect.
- l. The current insurance coverage for the Projects may not protect the Project SPVs from all forms of losses and liabilities associated with their businesses.
- m. The cost of repairing and refurbishing existing equipment for operating, maintaining and monitoring the Projects could be significant and could adversely affect the results of operations, cash flows and financial condition of the Project SPVs.
- n. The business and financial performance of the Trust, the operations of the Projects and any future projects that the Trust may acquire, are significantly dependent on the policies of, and relationships with, various government entities in India and could be affected if there are adverse changes in such policies or relationships.
- o. The Project SPVs, parties to the Trust and their respective associates are involved in legal proceedings, which if determined against such parties, may have an adverse effect on the reputation, business and results of operations of the Trust.
- p. The Project SPVs depend on the O&M Contractor to operate and maintain the Projects. Any delay, default or unsatisfactory performance by the O&M Contractor could adversely affect the Project SPVs' ability to effectively operate or maintain the Projects.
- q. The results of operations of the Project SPVs could be adversely affected by strikes, work stoppages or increased wage demands by the employees of the O&M Contractor or other sub-contractors.
- r. The use of additional leverage by the Investment Manager and the Trust are subject to risks.
- s. The actual performance of the Trust is subject to significant business, regulatory, and tax risks, uncertainties and contingencies that could cause actual results to differ materially.

**Risks relating to our organization and structure:**

- a. Changes in government regulation could adversely affect our profitability, prospects, results of operations and ability to make distributions to our Unitholders.
- b. We depend on the Investment Manager, the Project Manager, and the Trustee to manage our business and assets, and our financial condition, results of operations and cash flows and our ability to make distributions may be harmed if the Investment Manager, Project Manager, or the Trustee fail to perform satisfactorily. The rights of the Trust and the rights of the Unitholders to recover claims against the Project Manager, the Investment Manager or the Trustee may be limited.
- c. Information and the other rights of Unitholders under Indian law may differ from such rights available to equity shareholders of an Indian company or under the laws of other jurisdictions.
- d. The Trust has a limited number of listed peers undertaking similar lines of business for comparison of performance and therefore investors must rely on their own examination of the Trust for the purposes of investment in the Issue.
- e. The regulatory framework governing infrastructure investment trusts in India is relatively new and the interpretation and enforcement thereof involve uncertainties, which may have a material adverse effect on the ability of certain categories of investors to invest in the Units, our business, financial condition and results of operations and our ability to make distributions to the Unitholders.
- f. The reporting requirements and other obligations of infrastructure investment trusts are still evolving. Accordingly, the level of ongoing disclosures made to and the protection granted to our Unitholders may be more limited than those made to or available to

shareholders of a company that has listed its equity shares upon a recognised stock exchange in India.

**Risks relating to the Units:**

- a. The sale or possible sale of a substantial number of Units by the Sponsor in the public market following the lapse of its lock-in requirement as prescribed under the InvIT Regulations could adversely affect the price of the Units.
- b. The Units are being traded on the Stock Exchange since a limited period may not result in an active or liquid market for the Units.
- c. Market and economic conditions may affect the market price and demand for the Units.
- d. Any future issuance of Units by us may dilute investors' Unitholding. The sale or possible sale of a substantial number of Units by the Sponsor or another significant Unitholder could adversely affect the price of the Units.
- e. Rights of Unitholders under Indian law may be more limited than under the laws of other jurisdictions.

**Risks relating to Indian Economy:**

- a. We are exposed to risks associated with the road sector in India.
- b. Our performance and growth are dependent on the factors affecting the Indian economy.
- c. We may be exposed to variations in foreign exchange rates.
- d. A decline in India's foreign exchange reserves may reduce liquidity and increase interest rates in India, which could have an adverse impact on us.
- e. Change in social, economic, and political conditions of the country or/ and natural disasters could have a negative effect on our business.
- f. Any downgrading of India's debt rating by rating agencies could have a negative impact on our business.
- g. Financial instability in other countries may cause increased volatility in Indian financial markets.
- h. Significant differences exist between Ind AS and other accounting principles, such as IFRS, Indian GAAP and U.S. GAAP, which may be material to investors' assessments of our financial condition, result of operations and cash flows.
- i. Fluctuations in the exchange rate of the Indian Rupee with respect to the U.S. Dollar or other currencies could affect the foreign currency equivalent of the value of the Units and any distributions.

**Risks relating to Taxation:**

- a. Changes in legislation or the rules relating to tax regimes could materially and adversely affect our business, prospects and results of operations.
- b. Investors may be subject to Indian taxes arising out of capital gains on the sale of Units and on any dividend or interest component of any returns from the Units.
- c. The Trust and the Project SPVs may be subject to certain tax-related risks under the provisions of the IT Act.
- d. The Project SPVs enjoy certain benefits under Section 80-IA of the Income Tax Act in relation to the Project SPVs and any change in these tax benefits applicable to the Trust may adversely affect its results of operations.
- e. The income of the Trust in relation to which pass through status is not granted under the IT Act may be chargeable to Indian taxes.
- f. Depreciation may not be claimed on the capitalized cost of a road constructed on a BOT basis.
